The great Clever in action at The Hackney

Matthew "Clever" Kildea is an undefeated former player, premierships assistant coach and general know-it-all who seems to have an opinion on everything!

## Clev's Corner

As we head into the pointing end of season 2017 here are the ten burning questions that need to be answered:

- Will the A-grade be able to improve enough to overcome their 25% win rate against their two top opponents?
- Will Chris Hannemann win Beer Pong for the third time?
- Will Comerford and Braund return to the B's, making it a total of 6 ruckmen in one side?
- Will Mouse suit up for A-grade finals now that he's qualified?
- Will pub attendances ever improve?
- Will Brad Weidenhofer collect the D-grade BnF?
- Will the Park 9 redevelopment ever be built?
- Will James Dalwood be able to coach the B-grade to their 4<sup>th</sup> straight flag?
- Will the C-grade pick up sufficient % in round 17 vs SPOC to hold on to 5<sup>th</sup> spot and play finals?
- Will Nick Rees and Alfie Brown finally win a premierships together?

Stay tuned over the remaining 7 weeks to see how the answers play out.
