Keep the faith. That's the message I will be sending to the players and our supporters this week after our worst performance of the season. After what has been a competitive month by the A Grade we were poorly performed in all the areas we rate our game. Our pressure on the opposition, skill level, ball movement and conversion rate were all below standard and what eventuated was an ugly game of football. As poorly as we performed collectively and individually the positive was that we managed to generate more scoring opportunities than the opposition. At one stage we had kicked 2 goals 12 behinds and were only 2 goals down. There is no magic recipe to turn our season around. We must continue to work hard together and stay positive. The focus this week will be on our starting positions and use of the footy.

The B Grade got back in the winner's circle on Saturday in a result that was a little too close for comfort. After losses to Walkerville and Tea Tree Gully in the previous two matches, the B Grade defeated Modbury by 1 point. Although our boys took the win, Modbury could have quite easily snatched it.

After getting out to a good lead at half time, the Reds left the door open for the Hawks to get back into the match in the second half, due to ineffective disposals and numerous turnovers. In the final quarter, the match was shaping up for a draw, until Jack Ramsey took a solid grab in the forward 50 with only a minute to go. Rambo missed the shot to kick a behind, but put the Reds in front to win the game.

This week the C Grade came up against one of the teams we need to defeat to be a player in Division 8 and whilst we lost the game by 3 points, I felt that we lost the game rather than Broadview winning it.

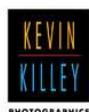

In the first quarter with the wind we kicked 1 goal 7, twice we scored points from the square. Had these been converted to goals that would have been the difference between a win and a loss.

When both sides had the wind to their advantage they kicked multiple goals, scoring against the wind was really difficult. Broadies really tried to slow the game down at stoppages and beat up on us, where we were trying to bust the game wide open and get it out into space so that our runners could get into the game.

The third quarter we kicked away and held a 21 point lead, we then kicked the first goal of the last quarter, you would have thought that a 27 point lead would be enough to get us home but Broadies kicked the last 5 goals of the game and won by 3 points.

So disappointing to lose a game that we were in control of but I think the players learnt a big lesson that they need to take their opportunities when they present themselves.

	Q1	Q2	Q3	Q4	Tot
PAOC	4.7	5.9	9.14	10.16	76
Broadview	1.0	1.2	1.3	3.4	22

Goal Kickers: Nick Brooks 5, Jesse Fyfe 3, Brad Weidenhofer 1, Ryan Winter 1

Best Players: Ryan Winter, Sam Wood, Chris Spencer, John Coop, Henry Goode

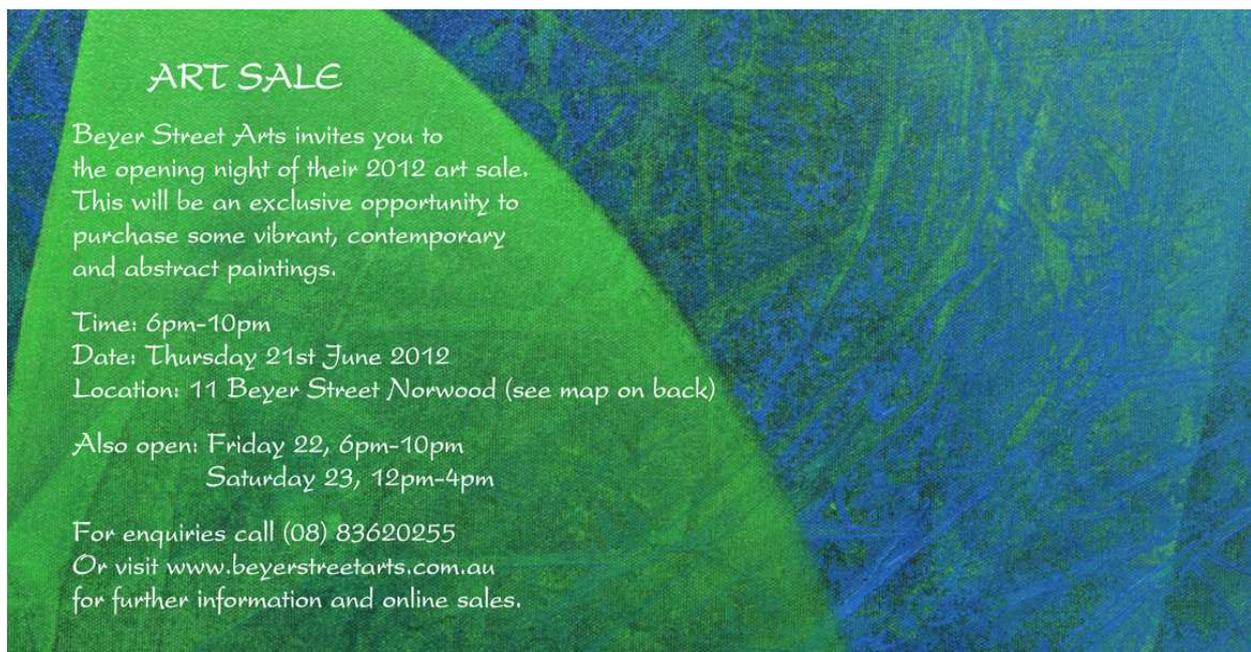

We headed out to Broadview expecting a tough physical game against one of the powerhouse clubs in amateur league and that is exactly what we got. We won the toss and kicked with the aid of a fairly strong breeze and had a goal on the board within 60 seconds after a perfect centre clearance and foot pass to Nick Brooks by Ryan Winter.

At the 10 minute mark we had 3 goals kicked to Broadview yet to score but our leader Alex Butenko had been carried off with an ankle injury and Ryan Winter was on the bench with a split lip (needing stiches after the game). For the rest of the quarter we wasted shots at goal and ended the quarter with 4 goals 7 behinds.

The second quarter was a real arm wrestle with both defences on top scoring dried up. John Coop took control of our defence and lead by example with several strong attacks on the ball and Broadview players with the ball. We held a 31 point advantage at the long break.

The game opened up a little in the third term and we were able to deliver the ball cleaner to our key forwards in Brooks and Fyfe which saw us kick 4 more goals while keeping Broadview to 1 point for the term.
