We are mixing the Player Auction in with a Father & Son night at the Hackney. It would be great to meet as many of the new parents as possible so we thought we would add this aspect to the Player Auction this year.

## Stam Fruit/Paramount Browns Round 1 Results

### A Grade

	Q1	Q2	Q3	Q4	Tot
PAOC	4.2	9.5	11.11	13.15	93
Gepps Cross	6.2	8.5	10.9	13.10	88

**Goal Kickers:** Nick Blanch 3, Jarrod Buckley 2, James R. Thomas 2, David Reed 2, Ryan Kelly 1, Hamish Telford 1, Matt Jackman 1, Matt Watson 1

**Best Players:** Tom Wicks, David Reed, Jos Builder, Matt Jackman, Nick Blanch, Ryan Kelly

A great start to the season in what were ideal conditions at Park 9. Gepps Cross having been demoted from Div 1 last year was always going to be an unknown quantity and we found ourselves 3 goals down early in the game.

Once the boys settled we moved the ball quite well and were able to run, link up and manufacture good goal scoring opportunities. We were dominant in the third term and a composed last quarter allowed us to hold onto a 5 point win. What was most pleasing was the even contribution and complete attitude shown by all players.

### **B Grade**

	Q1	Q2	Q3	Q4	Tot
PAOC	3.4	8.7	14.11	18.16	124
Gepps Cross	3.1	3.4	4.6	6.7	43

**Goal Kickers:** Scot Tyndall 6, James Prest 4, Josh Morrell 3, Mitch Brealey 1, Harry Collison 1, Ned Holmes 1, Greg Honner 1, Michael Phillips 1

**Best Players:** Cameron Graetz, Mitch Brealey, Nick Pemberton, Max Clarke, Josh Morrell, Scot Tyndall

The B grade started our season in solid fashion at Park 9. After an even first quarter we were able to maintain our work rate while the older Gepps Cross team tired and fell away, particularly after the half time break. Much of our success began with the backline. After a slow start where we allowed our opposition too much separation the back 6 responded after quarter time in fine style. Led by Barnes, Curyer, Pearce and Ramsay they instigated the bulk of our attacking forays in the second quarter. Following an incident at half time which put Rambo out for the rest of the game, Max Clarke joined the group and a great addition to the mix in the second half.

The boys who were rotated through the midfield worked tirelessly all day – all 12 of them. It's encouraging to be able to turn that many players through the middle without effecting output. With a full squad to choose from at the present time the B grade will be fortunate to have some A graders running through these rotations, however we didn't just leave it up to those players on Saturday. There was solid contribution from all mids and I look forward the continuous improvement from this group as the season progresses.

As expected for round 1 our forward entries were not perfect all day. However there was clear improvement as the quarters went on. Essentially we let the boys play without too much planned structure. The sheer number of forward 50 entries and the work rate of the key forwards resulted in a good score on the board. The 3 keys – Hey Presto, Greg Honnor and Scooter Tyndall – were strong over head all day and between the 3 of them there was always at least 1 option to kick to. This area should only get better throughout the season with continuity and some structural planning.

A pleasing result first up. While there were some stand out individual performances it was the contribution across the field that was most pleasing. This needs to be our focus again this weekend with a tough match up against Portland.

## C Grade

The C's and D's season started a week earlier than the A's and B's, so here are the results from the first two rounds.

Round 1	Q1	Q2	Q3	Q4	Tot
PAOC	1.2	1.7	4.11	6.16	53
Adelaide University	1.3	2.5	4.6	5.6	36

**Goal Kickers:** Dylan Hunt 2, Matt Faull 1, Tom Dahlenburg 1, Tim Sly 1, Max Burford 1, Lachlan Burns 1

**Best Players:** Jack Tidswell, Jack Latchford, Max Burford, Tim Sanders, Tom Dahlenburg, Matt Favell

Round 2	Q1	Q2	Q3	Q4	Tot
PAOC	2.4	3.9	6.9	6.12	48
Golden Grove	0.3	1.7	4.11	6.16	52

**Goal Kickers:** Cameron Garry 1, George Treloar 1, Nick Brooks 1, Will McPhee 1, Justin Trinne 1, Lucas Lovell 1

**Best Players:** Pat Whitford, James L Thomas, Jack Tidswell, Lucas Lovell, Cam Garry, Jack/Will McPhee

Our very young C grade team took on a much bigger, taller and stronger opponent in Golden Grove on Saturday. For the first 3 quarters we were able to keep ahead on the scoreboard due to some extremely good efforts from Pat Whitford who rucked all day without a break, Cam Garry, James L Thomas and Jack Tidswell toughed it out down back.

We were up by 11 points just before the  $\frac{3}{4}$  time when a player from GG was knocked out in a heavy clash and an ambulance had to be called to assist (he is OK). As a result of this the game was delayed by around half an hour. After the restart we were not switched on and lost focus on what had got us the lead and the big GG forwards were able to take a couple of good marks and kick truly.

We did have a few positive attacks in the last quarter but we were unable to finish off these with goals and managed only 3 points for the term. So at the final siren we went down by 4 point. We are looking forward to taking on Salisbury this week.

#### **D Grade**

Round1	Q1	Q2	Q3	Q4	Tot
PAOC	2.3	3.5	4.6	8.7	55
Adelaide University	3.1	4.6	7.10	13.10	88

**Goal Kickers:** Nick Brooks 6, Will Farminer 1, Alex Hughes 1

**Best Players:** James Hill, Will McPhee, Jack McPhee, Will Farminer, Nick Brooks, Hiran Lecamwasam

	Q1	Q2	Q3	Q4	Tot
PAOC	5.5	8.8	8.17	13.20	98
Golden Grove	1.1	4.6	5.8	8.9	57

**Goal Kickers:** Jack Perks 5, Harry Bilyk 2, Dan Stevens, Jack McInerney 1, Justin Mitchell 1, Chris Spencer 1, Cameron Lynch 1, Will Ellison 1

**Best Players:** Ben Young, Tyson Smith, Harry Bilyk, Dylan Hunt, Lachlan Bartlett, Jack Perks, James Hill

The D grade ventured to Golden Grove for round 2 after a positive start to the season the previous week against Uni (other than the final score!). With the influx of new players and a very green new coach the team has debuted around a dozen new players as well as a further  $\frac{1}{2}$  dozen who had only played a couple of games previously for the Old Reds.

(Continued next page)

On the new Harpers Field the boys started strong with centre clearances, rebound from the half back line and strong contests up forward pulling away to a 5 goal to 1 first quarter. 3 goals apiece in the 2<sup>nd</sup> had us maintain our lead and an inaccurate 3<sup>rd</sup> term (9 points only) was saved by our defensive work holding the opposition to a solitary goal. Up against the bigger and more mature bodies it is a credit to all the players who continued to attack and run that we again pulled away in the last term 5 goals to 3 to finish the game 41 point winners.

It was genuinely a game where I could name 25 best players and not be wrong. Mentions must go to Josh Harkness, Will Farminer, Cameron Lynch, Sam Duffield, Brad Weidenhofer, Grant England, Justin Mitchell, Chris Spencer and Lachy Bartlett. Best were Dylan Hunt in the middle, James Hill (for the 2<sup>nd</sup> week he just keeps going in), Jack Perks with 5 goals, Tyson Smith enjoying a midfield/forward role, Harry Bilyk on debut who just kept going in and distributing the ball with precision and BOG Ben Young playing with pace and poise in the middle, on a wing, up forward and down back.
