Goal Kickers: Drew Clayfield 5, Brendan Papps 4, Karl Siebels 4, Matt Jackman 3, Cameron Graetz 2, Tom Wicks 1, Will Hugo 1, Nick Clayfield 1

Best Players: Karl Siebels, James Dalwood, Justin Graetz, Cameron Graetz, Drew Clayfield

It was a much improved effort from the A grade squad in what was the best half of footy we have put together in 2 years. The challenge was to respond from last week's poor performance and we were well lead all game by Hugo, J.Graetz, Jackman and Crawford in the midfield.

Our clearance rate and inside Fwd 50 ball was well up which gave our forwards the opportunity to run and jump at the footy. Goals came from a number of avenues with D, Clayfield, Siebels and Papps scoring from set shots whilst Jackman, Wicks and C.Graetz hit the score board from drop of the ball opportunities.

The third quarter turned into a shootout until Brinsley was shifted to CHB to blanket Walkerville's Captain who was becoming influential. Our pressure around the ball continued into the last quarter which was pleasing given we lost Papps, Ashby, and Harrap to injury throughout the day. 5 final quarter goals gave us victory by 50 points.

Saturday the B Grade took on the challenge of playing the hugely successful Walkerville B grade and came through with flying colours. Being such a new blend of players throughout, it is pleasing to see a selfish team mentality already engrained within their play.

We trailed on the scoreboard at 1/4 time due to lack of defensive running. Walkerville are very well drilled for a B grade side and we allowed them to move the ball back into the centre corridor and attack from straight in front. It was clear that if we stop their runners, we would stop them.

The boys responded instantly, cramping the opposition stoppages, winning the ball with aggression and attacking quickly. Nick Mosey was outstanding kicking 4 goals as CHF on an oval where this position is hard to play and Tom Teague provided a great target up forward.

Our defence could not be faulted. We were able to keep a higher scoring team goal-less during the 2nd and 3rd quarters and counter attack quickly before the opposition could react. A special mention must go to Nick Blanch who should specialise in punching footballs and kicking long.

George Choimes and Henry Olsson had a field day. They set a standard throughout the Club for tackling, pressure and attacking running. Watch for these two during the Div 2R SAAFL medal count at the end of the year.

Thanks must go to the 'old dog' Phil Schell for his help on Saturday and Tom Prest for putting on the runners shirt.

We look forward to Flinders Park at Park 9 after Easter the opportunity to continue the good form.

C Grade

Round 2	Q1	Q2	Q3	Q4	Tot
PAOC	6.0	14.2	19.9	26.12	168
Hope Valley	2.1	3.1	4.1	5.1	31

Goal Kickers: Nick Brooks 11, Harry Collison 5, Dylan Klingbiel 4, Tim Sanders 2, Lucas Lovell 1, William McPhee 1, Nick Sanders 1

Best Players: Nick Brooks, Josh Graetz, Dylan Klingbiel, Ryan Winter, Nick Pemberton, Harry Collison (all played well)

First home game for the C grade at Park9 this season saw us take on the team from Hope Valley. After a tight first 15 mins we were then able to gain control of the game. Our defence lead by Josh Graetz was repelling any forward thrusts by HV while all our midfielders were running hard to find space which allowed them time to deliver the ball on a silver platter to Nick Brooks (11 goals). This was truly a game when the old saying "all played well" applies.

Special mention to Nick Sanders who played his 250th game for the Reds. Nick found himself up forward with a couple of mins to go. The ball spilt from a marking contest 30m out near the boundary, there was Nick front and square he picked up the crumb, dodged a couple of HV defenders and with a snap over the left shoulder put right through the middle for our last and 26th goal for the day.

D Grade

Round 2	Q1	Q2	Q3	Q4	Tot
PAOC	4.3	10.7	13.14	16.21	117
Hope Valley	1.0	2.0	2.0	2.0	12

Goal Kickers: James L Thomas 5, Jack Zacker 3, Cameron Garry 2, Lachie Burns 2, James Hill 1, Charlie Hall 1, Henry Gregurke 1, Jack Turner 1

Best Players: Oliver Clarke, Jack Zacker, James L Thomas, Charlie Hall, Cameron Burfield, Angus Parkinson, Jack Turner

A strong result for the D grade on the weekend for our first home game against Hope Valley. With 9 changes to the team from last round the strength and depth of the Club was apparent. The D grade welcomed Ollie Clarke for his 1st games for the Club.

We wanted to start well and this was the first box ticked with us scoring 4 goals in the opening term and restricting the opposition to a single goal. The second term we continued and played to our strengths of opening up the game, using run and space to get the ball quickly to our forward. We added a further 6 goals and again restricted the opposition to a single goal to establish a 55 point lead at the main break.

The 3rd and 4th quarters saw Hope Valley attempt an AFL style flood with 13 players in their backline. It was a good test for us and lessons were learned to play with some more patience and lift our eyes and execute. We added 3 goals 7 points in each quarter whilst not conceding any score at the other end for the whole 2nd half to finish the game with a 105 point win.

It was a game where everyone played as a team, executed our game plan and we could list all 24 best players in the best. Both Ollie and Tyson on debut both contributed well and will be pushing to work their way up the grades. Jack Turner had a new role at CHB and then forward late and showed his growing versatility and maturity. Angus Parkinson was at it all game as he is every week, copping a big hit late but never taking a step back. George Treloar on both the wing and through the middle showed pace and class as did Charlie Hall in his first game up. Cam Burfield has cemented a spot across half forward whilst J-Lo Thomas kicked 5 goals and was a target up front with Jack Zacker playing both forward, 3 goals, and in the midfield using his bulk to advantage. As stated earlier a game where everyone played their part and we achieved a promising team result.

E Grade

Round 2	Q1	Q2	Q3	Q4	Tot
PAOC	2.0	4.1	7.6	11.10	76
Scotch OC	3.4	5.4	7.9	8.10	58

Goal Kickers: Scot Tyndall 7, Will Ellison 1, Cameron Lynch 1, Alfie Brown 1, Leigh Warren 1

Best Players: Scot Tyndall, Will Ellison, Ben Siebels, Todd Alexander, Adam Perryman, Alfie Brown

The E Grade pulled off the upset of the weekend knocking off a more fancied Scotch at the home of football Park 9. Coach Matt Rohde didn't like the side's chances so he ducked off to Melbourne for the weekend leaving Michael Siciliano and Brad Weidenhofer to coach the side.

Some Friday night recruiting saw the addition of Club legend Leigh Warren to the side and 300 gamer Justin Trim also dusted off the boots, while a pre game phone call from Mark McGregor announcing he didn't have to work anymore and was on his way to the ground ensured we had a solid back line for the day.

Year 12 student Ben Siebels made his debut for the side to compliment the well aged recruits while Will Ellison and Todd Alexander were outstanding with their run all day.

We felt we could be in trouble early on with Scotch getting off to a good start but unable to convert on the scoreboard. Mark McGregor and Tyson Smith held the backline together taking numerous intercept marks.

Going into the second quarter the wheels really started to come off for the Reds. Kicking into a strong breeze some of the side misread the magnet board resulting in an 8 man forward line and a 4 man backline. Adding to this, Justin Trim was extremely satisfied with his first quarter effort and didn't bother to check the board giving us 19 on the field.

Young Ben Siebels was the only one switched on to the fact while Coach Siciliano searched the sidelines for his seventh bench player. The aggressive 8 man forward line move temporarily confused the opposition and resulted in the Reds getting the first goal of the quarter.

Things got better organised in the second half and the boys and coaching staff lifted. Cameron Lynch went into the middle and had an immediate impact while Adam Perryman, not satisfied with the organisation in the backlines, requested he be moved to the backlines to get things under control.

The side finished full of run in the last quarter and kicked 4 goals to 1 into the breeze to pull off an impressive victory. Scot Tyndall dominated the second half up forward, responding well to a half time spray from the coach who questioned his recent diet habits, fitness and ability to reach below his knees. He was dominant in the second half and deserved his bag of goals.

A great result for the side that have surprised many with the 2-0 start to the season. The side plays Mitcham next week in a triple header before the A and B Grade game.
