Round 3	Q1	Q2	Q3	Q4	Tot
PAOC	5.1	6.5	12.7	18.7	115
Flinders Park	7.1	10.1	11.2	13.4	82

Goal Kickers: Drew Clayfield 7, Karl Siebels 3, Tom Brinsley 3, Will Curyer 2, Nick Mosey 1, David Reed 1, Justin Graetz 1

Best Players: Adam Perryman, Drew Clayfield, Chris Hannemann, Tom Brinsley, Simon Potts, Cameron Graetz

It was a much improved second half performance from the A grade that produced 12 majors and a 5 goal victory at Park 9 on the weekend. The first term produced some sluggish play and we were under pressure and starved of decent possession from Flinders Park who were able to score reasonably easy kicking 7.1. Our counter attacks although limited created some good results with goals from D.Clayfield, Curyer and J.Graetz which kept us in touch. The second term started in much the same fashion with our midfield struggling to have an impact and a few crucial skill turnovers enabling Flinders Park to score 3 goals and jump out to a 5 goal lead. Some positional changes had an instant effect drying up the oppositions scoring opportunities however apart from a strong mark and goal from Siebels we were unable to pressure the scoreboard kicking 1.5 for the term.

The second half produced some first class footy with a majority of players who had been quiet in the first half coming to life and having an impact on the game. The Graetz brothers, Hugo, Reed, Curyer, Mosey and Olsson came to life and our backline through Holmes, Hannemann, Perryman and Potts looked strong and settled. A more competitive midfield presence and our ability to move the ball quickly produced a 6.1 third term and a 6 goal last term in what was a confidence boosting win.

A pleasing result for our young squad who have a huge scope for improvement and a hunger to learn and adjust.

Best Players: George Choimes, Max Clarke, Hahns Sullivan, Tom Teague, Nick Rees, Greg Honner

With back to back long weekends and a big triple header at Park 9 the message to the B grade was to make sure we came out focussed and ready for the contest. Defensive pressure and in particular defensive running was the message and the team delivered on the instruction to a man. To keep Flinders Park, a 2013 grand finalist, scoreless for 2 quarters and only allow 3 goals for the game was testament to the guy's efforts.

We were able to get on top in the midfield early and we held this trend for the entire match. Choimes and Clarke lead the way but they were supported by everyone who rotated through. Sullivan, Graetz, Brealey and Wilson all had an impact through the middle of the ground. While the score line may not suggest it, the back 6 had plenty of work to do and were impenetrable all day. They are beginning to work well as a unit through the leadership of Rees and Blanch.

Our key forwards worked hard all day and played their structure well. Teague and Honner were the beneficiaries on the scoreboard but Aaron Manning's continual work rate was crucial to ensure we had one-on-one contests all day. Our small forwards were able to capitalise whenever the ball was on the ground – great to see them working hard late into the final quarter.

Well done to all the other grades – 5 wins with a number of players unavailable is a terrific effort.

C Grade

Round 3	Q1	Q2	Q3	Q4	Tot
PAOC	1.5	6.5	11.9	11.14	80
Golden Grove	1.3	6.6	9.8	11.10	76

Goal Kickers: Harry Collison 4, Jackson Myhill 3, Shaun McFarlane 3, Fraser Ellis 1

Best Players: Nick Noblett, Tyson Broughton, Tim Sanders, Harry Collison, Henry Treloar, Jackson Myhill

The C grade had a real tough match up against our long-time rivals Golden Grove. The 2 teams played good strong footy all day. Neither team was able to establish control at any time. PAC was a fraction fitter and quicker while Golden Grove had the benefit of being taller and slightly stronger.

Only 1 point separated the teams at the long break GG leading. We were able push out to a 13 point gap by the last change. Thanks to some fine work from Harry Collison up forward and Nick Noblett at CHF.

We had a couple of chances early in the last quarter in increase the margin when Will Farminer ran into an open goal from 10m out and missed then Harry Collison marked strongly but kicked into the man on the mark. We will learn from these mistakes. Even though we were held goalless in the final term we were good enough to hang on and win by 4 points.

D Grade

Round 3	Q1	Q2	Q3	Q4	Tot
PAOC	5.5	9.7	13.13	17.18	120
Golden Grove	2.2	4.4	5.5	5.5	35

Goal Kickers: Jack Dent 5, Harry Bilyk 5, Cameron Garry 3, Jack Zacker 1, Lachie Burns 1, Andrew Sykes 1, Matt Kildea 1

Best Players: Jack Dent, Harry Bilyk, Angus Parkinson, Paul-Alexander Politis, Randall Lloyd, Cameron Garry

Returning from the Easter break and being Anzac weekend Friday was a busy day for the D grade with a number of last minute changes. Thanks to Ass Coach Matt Kildea (1 touch, 1 goal, 100% eff), Jack Dent (who had not played in 13+ years) and Tom Davies for answering the call to play. Against Golden Grove who have been traditionally a strong side we were unsurprisingly not switched on at the start and they jumped us with 2 unanswered goals in the first few minutes. With their bigger bodies crashing through our lads took some time to adjust. Sparked by a genuine 'hanger' from Dent we settled and added 5-5 from the midpoint to grab the lead at quarter time. From there it was not the prettiest of games with a number of our players a bit underdone and only showing patches of the game style we want to display. As the game progressed we got on top in the midfield and were able to extend our lead at each break to finish 85 point winners.

The stars for the day were our forwards. Jack Dent had everyone asking where did we find him (it was at a BBQ after about 2 cartons and 3 bottles of red!) and hopefully we can convince him to keep playing. He provided a great focal point to our attack and received some excellent delivery kicking 5-6 for the day. Harry Bilyk was back and also kicked 5 goals from contested marks and crumbing in the forward lines. Angus Parkinson showed again that the size of his heart and courage is more important than body size. Cam Garry was swung from a wing to forward to back and again showed his class with PA Politis, Randall Lloyd and Jack Zacker being solid contributors in the midfield and each will continue to improve as they gain match fitness. Henry Gregurke ran hard all day and Alex Davidson again competed and contributed well in the ruck and around the ground.

3 wins is a great start for the D grade and with the disruptions of this week to gain 5 wins overall shows how strong a position the club is in, many thanks to the hard work of Parky and G Prest. Home next week to North Haven, let's make it 4 from 4.

E Grade

Round 3	Q1	Q2	Q3	Q4	Tot
PAOC	9.7	13.14	19.20	25.24	174
Mitcham	1.0	1.1	1.1	2.2	14

Goal Kickers: John Waltham 6, Scot Tyndall 5, Cameron Lynch 5, Nick Pemberton 2, Oliver Collison 2, Luke Bartlett 1, Justin Green 1, Mark McGregor 1, Elliot Opie 1, Tom Phillips 1

Best Players: Luke Bartlett, Ben Siebels, Tom Barnes, Oliver Collison, Elliot Opie

The E grade came up against the Mitcham Hawks in round 3, in the first of a triple header at Park 9. A strong start saw us outscore the opposition 9 goals to 1 in the first quarter, led by Tom Barnes with 6 or 7 inside 50s within the first 15 minutes.

This trend continued all day, with the Reds too good for the opposition all across the ground. Three year 12 boys; Ben Siebels, Olly Collison and Luke Bartlett all enjoyed a game during their school holidays and more than held their own, providing plenty of run and all were among our best players across 4 quarters.

A host of older blokes provided plenty of experience to complement our few younger boys, with Hotdogs, Pembo and Tyson Smith providing plenty of drive through the midfield. The Club's tallest wingman, in his return from a 4 year absence, Elliot Opie, provided plenty of run and carry, although bouncing seemed to be an issue, with him instead opting to handball to himself, on some long runs down the wing. Waltham, Lynch and Tyndall shared the goals up forward, as the boys ran out 160 point winners in a strong performance where everyone contributed.

E Grade players with an important showing of their commitment to post game recovery, still in the change rooms at half time of the B Grade game!
