Once again we were forced to come from behind after giving SMOSH a 4 goal head start. For the first 10 minutes of the game we were under pressure and SMOSH lead the stoppages 6 to 1. This has been a problem area all year and one that we need to address this week.

Once we actually got our hands on the ball we controlled the rest of the quarter. Our use of the ball was good and the forward line pressure enabled us to score 3 goals of our own and we went into the first change only a goal down.

We have struggled to score goals in a consistent manner since Rd2 and it was a similar situation for the remainder of the game. Every time we scored and looked like generating momentum SMOSH would reply. Skills under pressure again let us down towards the end of the game as SMOSH ran out winners by 6 goals.

Our focus this week must be on our first quarter effort.

We faced another tough test on the weekend against a strong SMOSH outfit. Unlike the previous week against Modbury we started well and had 4 early goals on the board. The back 6 were outstanding in the first quarter, every time SMOSH entered their forward 50 we beat our man to the ball and the majority of these rebounds ended in scores at our end.

By half time SMOSH had slowly clawed their way back into the contest however being a goal in front and with our young legs we were confident that we would be able to run out the game well. The third quarter was disappointing as we were second to the ball and allowed the SMOSH midfield to run free. A complete domination saw SMOSH in front by 3 goals at the last break.

Our last quarter was outstanding. In a complete turnaround from the 3<sup>rd</sup> quarter our attack on the ball was first class and when we got our hands on the footy we began to run in waves. However with only 7 minutes remaining we still needed to kick 3 goals to win. It seemed from there on we won every 50-50 contest and with a minute left on the clock Presty marked strongly and slotted through the winner. By the time the ball got back to the middle all that was required was to force a couple of stoppages and we had escaped with the win.

While we didn't execute perfectly on the weekend the character and desire to win shown from such a young group was outstanding.

Another poor start put us behind the 8 ball from very early in the game with SMOSH having 4 goals on the board in only 5 mins of play. The rest of the first term was even with 2 goals each.

SMOSH again outscored us by 2 goals in the 2<sup>nd</sup> quarter but we had lifted our attack on the ball and were starting to lift our eyes and use the ball with more control.

The 2<sup>nd</sup> half was very tight and we matched the top of the table team in every area and even outscored them in the final term.

(C Grade continued)

The C grade has now played the top 5 teams in the comp and are looking forward to playing the teams in the bottom half with hopefully 4 wins coming our way.

Back at Park 9 and the D grade had a very good win over SMOSH by 8 points. We jumped out early to a 3 goal lead only to let the opposition back in then the game remained fairly even with us holding a 9 point lead at half time.

(D Grade Continued)

Coming out of the break our guys continued to gel as a team and the results showed in a 3<sup>rd</sup> quarter effort with us converting 4 goals and only giving up 1. SMOSH is an experienced team and they came back at us in the last and it is a credit to everyone being able to withstand the pressure and maintain our advantage to ensure a very important win against an opposition expected to be contender at the end of the year.

Brad Weidenhofer's move forward continued to pay dividends, he contributed 5-3, almost never beaten in a making contest and providing confidence to those around him. Charlie Olsson returned from injury to his half back flank and yet again burrowed in and through the packs to stop the opposition and provide great rebound. Jeremy Broadbent was conspicuous in his 1<sup>st</sup> game with clean disposals in the middle and across half forward. Dylan Hunt does what he does best, provided many in close contests, winning the ball and sending us forward. Chris Spencer was the captain for the day and led his team from the front in another excellent display. Cam Burnett and Dan Stevens were given a role at the start of the day on the half forward flank interchanging off the bench. These 2 both did everything asked running down to the back lines to tackle and spoil then running off to provide an additional link player out of defence to bring the ball forward. A great effort from both these young lads. I could easily name another dozen who performed well but would like to acknowledge the key backs in containing the opposition's key forward and the rucks who worked valiantly all day.

A very important win against a team we hope to competing against come finals. As a team we are continuing to get to know each other and improve every week. Next week Brahma Lodge away and an opportunity to get the win/loss ledger back to even.
