### A Grade

PAOC	3.6	8.10	13.12	16.14	<b>110</b>
Eastern Park	1.3	2.6	8.10	15.12	<b>102</b>

**Best Players:** Phil Cleggett, Will Hugo, Michael Artis, Adam Perryman, George Choimes, Simon Potts.

**Goal Kickers:** Phil Cleggett 4, George Choimes 3, James R Thomas 3, Nick Blanch 2, Kieran Artis 1, Tom Barnes 1, Will Hugo 1, Tom Wicks 1.

**Match Report:** It was a reasonably good start to the season with contributions from all parts of the ground. Our number 1 focus was to match the Parkies physical game and I was pleased with the way we hunted the ball, and created turnovers from our defensive pressure.

Our backline again looked settled and organised and our overlap run and long kicking into our forward 50 created numerous scoring opportunities. I still believe we can roll on outside fwd 50 quicker which will allow our forwards a better chance 1 out.

We were very much in control in the 2 and 3rd quarters with good skills in close, spread from stoppage and general skills by foot. Both our small and tall forwards looked dangerous and we probably should have been further in front only for some missed long goal attempts.

After leading by as much as 40 points in the last quarter it appeared we just stopped playing. We couldn't get hold of the ball in the last 15 minutes and several elements of our game dropped right away.

I was pleased with the attitude and energy that our SANFL players brought to the game. They will all play important rolls throughout the year.

We appear to be a very relaxed group and my only concern is that we don't get excited enough about the little things. A good start with plenty of work to do. **Go Reds!**

### B Grade

PAOC	0.3	0.9	4.13	7.17	<b>59</b>
Eastern Park	1.2	3.5	4.6	5.8	<b>38</b>

**Best Players:** Scot Tyndall, Nick Pemberton, Oliver Brecht, Matt Watson, Cameron Garry, James Admiraal.

**Goal Kickers:** Seb Moroney 3, James Admiraal 1, Oliver Brecht 1, Paul-Alexander Politis 1, Michael Seaman 1.

**Match Report:** Solid performances from PA, Seb Moroney, Henry Daniel, Jos Builder, Jack Ramsey, Mark McGregor and Nick Whetstone all should be acknowledged.

It's always good to win the first round. The B Grade pre-season has not been an intense one, our team list came together at 8.00pm last Thursday night with uncertainty of available players and with lads that have just attended their first training session for 2012. The first half was interesting, the boys found 60-70% of the footy but turned it over too easily. Poor disposal and kicking for goals up to half time desperately needed some work. Our score line was only 9 single points at the break.

The boys responded after several changes made at the half time break and started working together making position to receive the footy, kicking 4 goals in the third quarter and 3 in the final term. Final score was 7:17, some work needed on our goal kicking.

Our list of players looks good, there is a several players coming back from holiday and injury adding to our depth to select teams. I think Walshie will have is eye on a few of our boys.

In summary, great start to the year, very positive outlook to further strengthen the playing group.

### C Grade

PAOC	0.2	6.4	7.5	8.6	<b>54</b>
SMOSH WL	6.5	6.8	12.10	14.11	<b>95</b>

**Best Players:** Seb Richards, Tim Sanders, Will Farminer.

**Goal Kickers:** Will Farminer 4, Tim Sanders 2, Jake Tidmarsh 1, Ben Mader 1.

**Match Report:** The C grade of 2012 played its first game against a well drilled and physically more imposing SMOSH at West Lakes on Saturday.

SMOSH kicked with the wind in the first quarter and led by 5 goals at quarter time their lead should have been greater but for poor kicking in front of goals. When we had our turn with the wind we

responded well and played our best footy for the day and went in at half time with a slender lead of 4 points.

Will Farminer kicked 3 goals in this quarter and responded well having been beaten by his man when he was playing at Full Back; clearly he appreciated CHF more than FB. Farms finished with 4 for the day and was our leading goal scorer. Well done Farms!!

In the second half we fell right away and only kicked 2 goals 3; for the rest of the game whilst our opponents kicked 10 and they ran out deserved winners.

In typical fashion Tim Sanders and Sebby Richards carried us on the day their performances were very good.

I was impressed by our four school leavers, Nick Cooper half back flank, Nathan Siebels various roles in the forward line and on the ball, Fraser Jennison both forward and back and Ben Young was nimble around the packs, all 4 boys will be better for the outing. Well done lads. Welcome to the club as well, I hope you enjoy your footy at PAOC.

Next week we have the bye and then in Round 3 we play Uni; so we have a couple of weeks to regroup and get up to 8 of our key players back who were unavailable in week 1.

### D Grade

PAOC	5.6	8.9	12.14	13.16	<b>94</b>
SMOSH WL	0.1	1.3	3.6	7.8	<b>50</b>

**Best Players:** Chris Spencer, Max Burford, Andrew Sykes, Dylan Hunt, Alex Butenko, Sam Wood.

**Goal Kickers:** Max Burford 3, Travis Beasley 3, Nick Brooks 2, Chris Spencer 2, Adam Balnaves 1, Jesse Fyfe 1, Dan Stevens 1.

**Match Report:** The D grade started the season off very well with a hard fought victory over SMOSH down at West Lakes.

We won the toss and kicked with wind in the first and held a handy lead of 5 goals at the change of ends after some excellent centre clearance work from Hunt, Burford and Butenko.

In the second quarter our defence stood up to all challenges SMOSH threw at them. Lead by the Weed at full back and assisted by Brooksy at CHB we managed to hold SMOSH to only 1 goal and kicked 3 ourselves.

Our low fitness level showed in the 2nd half as we slowed to a walk SMOSH were able to outscore us by 1 goal.

Special mention to Jarrad Goulding who popped his shoulder out just before end of the second quarter only to have at strapped up and go back into the heat of the centre square. The shoulder came out again just before the end of the match. Well done Jarrad you get this week's tough man award.

A warm welcome to Dylan Hunt, Chris Spencer, Travis Beasley and Dan playing their first games for the old Reds

## Round 2

### A Grade

PAOC	3.1	5.6	7.7	9.13	<b>67</b>
Flinders Park	3.3	5.4	8.7	8.10	<b>58</b>

**Best Players:** Simon Potts, Tom Prest, Adam Perryman, Tom Wicks, James R Thomas.

**Goal Kickers:** Phil Cleggett 2, James R Thomas 2, James Dalwood 2, Jerome Newchurch 1, George Choimes 1, Kieran Artis 1.

**Match Report:** It was another pleasing result with the outcome not decided until the last 5 minutes of the game. It was a day for contested possession and keeping the ball in motion and our guys ticked both boxes. The first term saw our midfield generate several scoring opportunities through speed of movement and putting the ball in the right spots however we were only able to convert on 2 occasions. I was pleased with the work ethic of all players and the willingness to involve everyone in the play.

Flinders Park lifted their work rate at the beginning of the second quarter and started to dominate stoppages which resulted in them scoring 3 unanswered goals. It appeared we were letting the term float away however a lift in intensity of our own, some controlled counter attack from the backline saw our small forwards reply with 3 goals to go into the long break all square.

In what was going to be a slog fest Flinders Park were kicking with the breeze in the third term and had a whopping 16 inside forward 50 entries. Our backline were controlled and organized and were able to repel several attacks only allowing 3 goals in for the term. Our quick ball movement from counter attack saw us kick 3 goals of our own for the term to stay in the contest.

Coming home with the breeze saw our forwards have several opportunities to ice the game without luck. Our mids continued to hunt the footy and penetrate the forward 50 and our pressure on the ball carrier resulted in shots on goal from turnovers. We were able to score 1 goal in the last term which was enough to hold on.

The benchmark for pressure and team work is now quite high and the challenge is to continue the momentum. **Go Reds!**

**Match Report:** A very pleasing game with 'passages of some really good footy' commented by several people after the game. The lads started well with 4 goals straight to quarter time which was an improvement on last week's poor kicking for goal.

However our skills and confidence dropped off in the second and third terms leaving a battle ahead of us. We struggled to win possessions and poor ball skills allowed Flinders Park to take control of the game putting plenty of pressure heading into the final quarter. The boys stood up and finished the game with 4 good goals and a solid team effort sneaking home by only 9 points.

Nick Martin and Tom Brinsley played their first game for 2012 and played very important roles in the win.

Jos Builder played at CHB and used the ball well creating numerous attacks for our mid fielders and forwards. He is a very good player and one to watch in the future, he has excellent skills and is a quick thinker who looks to share the footy.

Tom Teague always plays the ball hard and presents well. His 'never give up' attitude looks likely to continue having received the B-Grade Best Player award last year.

Seb Moroney found the footy with his speed around the packs and read the play well finishing with 3 goals and just warming up to a good year ahead.

We will test the playing squad this week against Adelaide Uni. If the boys have the right attitude at 11.30am on Saturday, I am quietly confident a good result will follow.

did display patches of effort that only left us 3 goals down at the first change.

Several changes at quarter time did not holt the momentum with Uni kicking the first 4 goals of the quarter. We were struggling to find the footy and when we did the constant pressure from Uni caused us to turn the ball over in dangerous positions. We managed to kick two goals in a row late in the quarter and the siren could not have come quick enough.

It was a different side that took the ground in the third quarter one with spirit, energy and care. We started to generate positive passages of play due to our ability to win and hold onto the ball. Our ability to play on quick and our use of the footy was impressive so much so we managed to get within three goals of Uni at the last change.

We appeared we had used up our petrol tickets getting back into the game and Uni ran away with it in the last. It was a good reality check for the playing group and coaching staff. We must come with vigour and spirit this week. **Go Reds!**

### B Grade

PAOC	2.0	5.1	7.1	8.1	<b>49</b>
Adelaide Uni	5.3	7.5	12.6	17.8	<b>110</b>

**Best Players:** Jack Ramsey, Seb Moroney, Cameron Garry, Nick Pemberton, Matt Easter.

**Goal Kickers:** Andrew Phillips 4, Scot Tyndall 1, Seb Richards 1, Seb Moroney 1, Michael Seaman 1.

**Match Report:** The BOYS had a realisation of the level of footy expected to be successful in 2012. I was pleased to see a fight back after Uni had kicked the first 4 goals for the day. Our second quarter was definitely our best as we took risks and shared the footy giving our forwards opportunities to convert. The score at half time was 7.8 to 7.5 with us having the slightest edge. Andy Phillips gave us a good target.

Attitude and commitment went cold during the break and Uni took control of the game in the second half, leaving us chasing guernseys and booting only 1 goal in a half of football.

Jack Ramsey is a quality player, he used the ball well and can play anywhere. Top effort Rambo. Seb Moroney is just starting to fire up for season 2012, I believe his footy will mature this year and he will step up and take on leadership roles. Pembo and Cam Garry have made their presence felt already in the first three games, I think these guys just love the team game and will be consistent players this year.

Matty Easter played his first game for the year after an ankle injury in a pre-season, I think Walshie will have his eye on Matt's performance at training this week. Andy Phillips was our target up forward and I backed him before the game to win 9 times out of 10 contests against his opponent. I was spot on but unfortunately we needed more positive attacks allowing him more opportunities. Well done Dogs. I look forward to his assistance with leadership with our playing group.

### C and D Grade had the bye.

**Goal Kickers:** Nick Blanch 3, James R Thomas 2, Kieran Artis 1, Tom Barnes 1, Sam Broadbridge 1, Tom Brinsley 1, James Dalwood 1, Simon Potts 1, Will Hugo 1.

**Match Report:** It was to be a bench mark game for the A grade after coming off to well fought wins and there was a sense of occasion given the oppositions start to the season and the clubs Ladies Day.

Uni played like they had lost their first two games with desperation and energy and we appeared to be flat footed and second to the ball. The scoreboard at quarter time did not reflect the dominance that Uni displayed throughout the quarter however we

**Best Players:** Will Thredgold, Max Clarke, Henry Riggs, Cameron Lynch, Tim Sanders, Josh Morrell, Phil Raptopoulos.

**Goal Kickers:** Cameron Lynch 8, Michael Siciliano 2, Will Thredgold 2, Josh Morrell 2, Will Farminer 2, Ben Mader 1.

**Match Report:** The C grade returned after the bye to produce a convincing win over Uni. This was a vital win having lost in round 1 and the bye in round 2 it was important for us to register a win otherwise we would be 3 games behind the league leaders SMOSH and Broadview who I think are clearly going to be the measuring sticks of Division 8 in season 2012.

For most it was their first game of the season, for some it was the first time they had put on the boots since the GF last year.

It was always going to be interesting to see how we would adapt to new structures learnt by the coach over pre-season. We set ourselves up to apply a lot of pressure around the stoppages and it was good to see Rappa back on the bottom of packs so that he could get the ball out to our runners. Max, Bazz and Rappa were on top early in the middle and this allowed our runners like Threddy, Latchy and co the freedom to break away and setup many forward attacks.

Great performances from Henry Riggs off half back, this kid can play footy. Lynchy bagged 8 goals 4 in his first game for 2012 and Max after his long injury lay off was excellent in the middle.

It was an all played well kind of day.

What was pleasing also is the training drills that we are practicing on the track were applied with varying degrees of success on Saturday in the game. We will continue to train hard and learn our new ball movements and structures and get as the season goes on.

In the end it was a good team win, our season is now up and running, we play Salisbury this week at the home of football; Park 9, this will be our first game on our home deck this season and we look forward to another challenge.

### D Grade

PAOC	3.2	6.3	8.5	11.6	<b>72</b>
Adelaide Uni	1.1	3.3	5.4	7.6	<b>48</b>

**Best Players:** Brad Weidenhofer, Ryan Winter, Charlie Olsson, Max Burford, Nick Brooks, Will Thomas.

**Goal Kickers:** Nick Brooks 6, Max Burford 3, Ryan Winter 1, Adam Balnaves 1.

**Match Report:** With the dew still on the grass at 10.15am the D grade took on Adelaide Uni. We had plenty of the ball in the first quarter but were

unable to convert on the scoreboard and ended up trailing by 2 goals at the break.

A few minor changes in positions saw us take control of the ball and the game in the 2nd and 3rd quarters. We used the short and switch kicks well to have Uni on the ropes by 3 quarter time. Weed was unpassable at centre half back and Brooksy was plucking them from everywhere and with Max Burford sneaking forward to kick a couple we out by 5 goals at the final change.

Our drive and run slowed in the last term but we had a comfortable win 4 goal victory. Need to build our fitness levels

## Round 4

**Goal Kickers:** James R Thomas 5, Phil Cleggett 4, George Choimes 2, Nick Blanch 2, Kieran Artis 2, Sam Broadbridge, Michael Artis, Will Hugo.

**Match Report:** From the very beginning it was clear that we had come to play. Our pre game focus was to respond to the previous week's loss to Uni and work harder when we didn't have the ball.

The game was setup with our attack on the footy and our ability to keep the ball in motion. Our forwards line looked dangerous and we had several players kick multiple goals for the game.

We looked in control for all but 10 minutes in the third term however we were able to regain composure and finish with a 5 goals to 1 last term. As a collective we looked disciplined and organised and there were a number of inspirational individual efforts throughout the game which ignited the team at different moments. We need to take the confidence gained into this week game where we face Portland away. **Go Reds!**

**Best Players:** Tom Brinsley, Jack Ramsey, Jase Schell, Henry Riggs, Stewart Fincher, Andrew Phillips.

**Goal Kickers:** Andrew Phillips 4, Jack Ramsey 3, Josh Morrell 2, Michael Seaman 1, Seb Richards 1, Tom Brinsley 1.

**Match Report:** Well 3 out of 4 is not a bad start to the year. The team FIRED up and played good, honest, hard footy. The first and fourth quarters were played at an excellent level for Amateur Reserve football. I thought the lads hit the footy with aggression and pressured the St Iggie players creating turnovers for our runner to take advantage.

Tom Brinsley is a quality player, he controlled the forward lines all day, taking many big marks and bringing other players into the game with his handball and delivery.

Jack Ramsey is a talented player and extremely versatile with the ability to play anywhere. Jase Schell used his body well and many of his possessions were effective when he ran through the corridor kicking deep into the forward lines looking for Andy Phillips. Hotdogs has given the team a spearhead taking some good grabs and booting 4 goals once again. He has also been assisting me on the ground with the younger players.

Stewy Fincher made his comeback after a serious injury last year making an immediate impact in our team hitting the ball hard, flicking out quick gives and picking up plenty of kicks. Great game Mate. Justin Stoyanoff played a solid game rucking for most of the game, he won most of the taps and backed up with second efforts around the ground. He took a big hit in the last quarter after attacking the ball at ground level, his nose didn't look good when he came off, hopefully it won't keep him out of footy.

Andrew Newbery started at CHB and ran through the ground on several occasions kicking the ball deep into attack. Nice game Newbs, you are the glue for the back six.

### C Grade

PAOC	5.3	8.6	9.7	9.9	<b>63</b>
Salisbury	1.1	3.3	5.4	9.4	<b>58</b>

**Best Players:** Tim Sanders, Will Thredgold, Max Clarke, Alfie Brown, Nick Sanders.

**Goal Kickers:** Will Farminer 2, Cameron Lynch 2, Max Clarke 2, Tim Boucaut 1, Dan Romano 1.

**Match Report:** This round the C grade played against a spirited Salisbury at home for the first time this year.

In the first quarter we played attacking football and adhered to the setups and game plan that we are working towards, the efficiency of our ball

movement through the corridor was very good and we attacked the goal front with verve.

When we didn't have the ball we worked hard to get it back and the opposition found it really hard to score against us, defensively we played really well.

The second quarter we stretched our lead to 28 points at half time but I really thought that we should have been a lot further in front we hadn't killed off our opponents.

The third quarter we lost Rappa and some drive through the middle, losing Rap meant we were one down in our midfield rotation and then when we lost Beasley and Wong we were down to two big men on the bench so it was important that we nursed the players through the last quarter. Unfortunately we had spent all our petrol tickets and nearly got over run as Salisbury kicked the last 4 goals of the game, we did not score in the last quarter and only kicked one goal in the second half.

We take the win though and bank 2 important points to keep 1 game behind the leaders. No game is going to be easy in Div 8 and this was a reality check for us if we don't come to play our opponents will test us.

Nathan Siebel in his 3rd game was a very good contributor, Threddy continued his good form, Bazz was easily our best player and I thought Colonel, Brown and Sis all played well down back running the ball out of the defensive unit. Some work to do but it is still early days.

### D Grade

PAOC	5.3	7.3	10.7	14.9	<b>93</b>
Salisbury	1.1	1.1	3.2	6.2	<b>38</b>

**Best Players:** Alex Butenko, Charlie Olsson, Brad Weidenhofer, Ross Kolodziej, Andrew Sykes, Nick Brooks.

**Goal Kickers:** Nick Brooks 6, Max Burford 4, Adam Balnaves 1, Jarrad Goulding 1, Brandon Kerin 1, Ryan Winter 1.

**Match Report:** Playing for the first time this season at Park 9 the D Grade took on the undefeated Salisbury Football Club. Knowing it was going to be a tough battle the boys were fired up to take on the challenge. Our attack on the football was first class and we had Salisbury making mistakes all over the field. This pressure caused Salisbury to cough up the ball on a regular basis.

Our 2 big forwards in Brooks and Kolodzies were controlling their zones and by half time we held a comfortable 6 goal lead.

We continued the hard attack on the ball in the second half lead well by our skipper Butenko and the rest of the team followed his example. The defence was on top all day with Weidenhofer and Olsson showing the way. The challenge now is to keep the same effort up every week.
