It was a tough blow for the Boys getting knocked out in the Elimination Final on Saturday. We picked what I thought was our best side for the year but we could not get our game together on the day. 68 players in total have played in the B's this season resulting in a win/loss ratio of 11:7 for the minor round. We have had some highs, some lows and a few laughs on the journey of 2012.

It has been a pleasure coaching the boys, a great mix of players that have worked very hard that really deserved to go further. I have always been pleased with the Teams physical approach at the ball and the opposition players which was something we developed over the season. This style of play assisted many possessions for our on-ballers and running players and dished out a few headaches to the opposition. This physical approach and our improved style of footy introduced by Peter Walsh has aided our on field success this year. I hope our younger players have learnt something this year and will be on the track for pre-season training and keen to be involved in 2013.

Several players have performed well all year and committed themselves to the job at hand, they include Nick Pemberton, Scot Tyndall, Jase Schell, Paul-Alexander Politis, Cam Garry, Joseph Du Reiu, Ollie Brecht, Josh Morrell and Jack Ramsey and throw in first year players Henry Daniel and Nate Siebel. I believe we have had the three best tacklers in the club with Seb Richards, Ben Pearce and a great year from Nate Siebel.

James Admiraal has improved his game this year and worked very hard and supported Justin Stoyanoff in the ruck and other key positions. We were bolstered during the year when the Year 12 lads came out and when our numbers were tight. Those Boys included Will Curyer, Ned Holmes, Nick Braund, Harry Barnes, Will Collison, Tom Burfield and George Burford. These boys are very talented players who have done an excellent job and will be valuable assets in 2013.

We have had a very good mix in the playing group and I felt at Rounds 14 and 15 we had the talent to perform in the finals but needed to maintain 5th spot in the premiership table. In summary a pleasing effort with a fantastic group of lads and with "heaps" of potential for next season. We need the support of the Year 12 lads to further increase our depth and numbers. Go REDS.

Goal Kickers: John Waltham 3, Harry Collison 2, Justin Trim 2, Ben Arnold 1, Cormac Byrne 1, Tim Sanders 1, Aaron Richards 1, Cameron Lynch 1

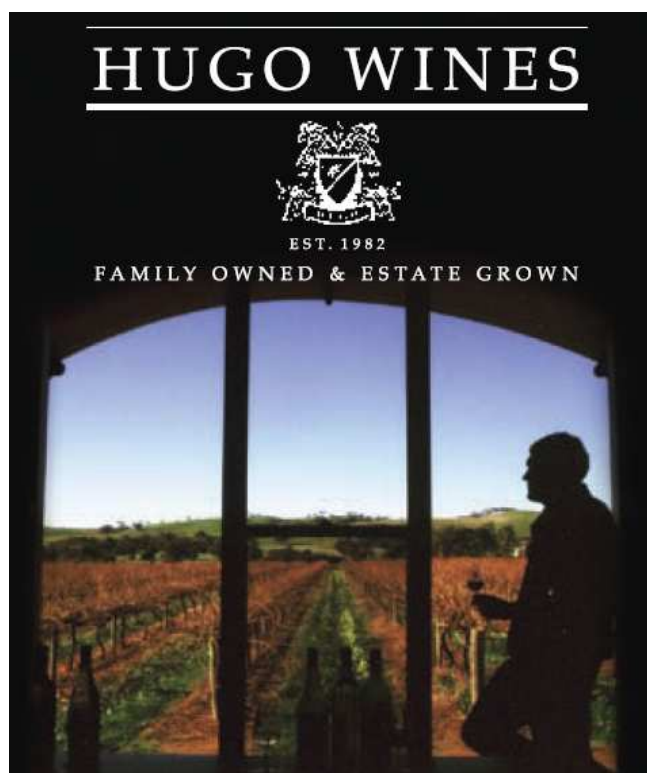

Best Players: Will Thredgold, Harry Collison, Ben Arnold, Will Latchford, Ben Young, Tom Burfield

The C Grade put on its best performance for the year in front of a solid crowd at Park 10 on the weekend, defeating Adelaide University by 4 goals. It was a high standard match from start to finish with both sides breaking away from the traditional "bruise free" football they have enjoyed against each other and crashing in hard from start to finish.

We were well served by the school kids on the day including Harry Collison who provided great forward pressure all day and was rewarded with two goals. Tom Burfield was a star down back providing plenty of rebound and run all day.

John Waltham put the well being of his pub to one side and led the goal kickers with three while veteran Justin Trim chipped in with two goals as well.

We now take on Golden Grove next week in another knock out game. We had a close game with them late in the year where we went down by a goal despite leading for most of the day so the side will be desperate to put on a much improved performance down at Salisbury Oval this weekend.

Adelaide Uni	1.3	3.5	4.5	5.11	41

Goal Kickers: Will Farminer 1, Sam Wood 1, Chris Watson 1, Max Burford 1

Best Players: Charlie Olsson, Will Wood, Andrew Sykes, Max Burford, Brandon Kerin, Justin Winter

Taking on Uni at Park 10 was always going to be a tough job on a Sunday afternoon. In a very close game we managed to shoot ourselves in the foot with very poor kicking into our forwards and missed shots on goal we would normally kick. Maybe finals pressure? We are addressing these issues on the track this week and should improve for our next game against Broadview in a knockout final.

On a positive note our defence was rock solid all match with strong performances from Will Wood and Charlie Olsson. We are looking forward to returning to the winners list this Sunday. We worked hard during the season to have a double chance we now have to take advantage of it.
