It was a bench mark game for the A grade and one which would answer a few questions on the development of the group in the last month. TT Gully are going to play finals this season and have only lost narrowly to the top 2 teams in recent weeks. Our guys gave a good account of themselves and matched the Gully's intensity and effort around the ball. With what seemed a considerable goal advantage to one end neither side capitalized on the lob sided inside 50 count and there was only 10 points in it at the long break. Good teams are able to create turnovers and that is what the Gully were able to manufacture. Our ability to look after the footy was slightly down on previous weeks and in the end this was the difference in the game. I thought we were well positioned going in to the last quarter only 14 point in arrears however an even quarter from both teams kicking three goals saw us go down by 13 points. The A grade have made some good in roads during the second half of the year and I am looking for a positive finish to the season.

The Boys were gutted with a 1 point loss to one of the top sides. We lost earlier in the year to Port Districts by 2 points in round 9 and coincidentally we meet them in the final round under lights at Thebarton Oval and in the Elimination Final. We have had the talent to match it with anyone this year particularly when we play 4 quarters. Our first quarter was a terrific display of "smart" footy.

The back six, led by Cam Garry our 100th gamer, used the ball running out of defence and were hitting their targets. Ollie, Joe and Addas played some tough footy and won the ball many times against a very good forward attack. Our third quarter let us down when we got lazy and let them sneak through the mid-field placing heaps of pressure on the backline players. Our inattention hurt us badly leaving a huge task in the last quarter.

We have named a very long list of best players because "all" these boys worked hard and contributed until the final siren. Josh Morrell worked hard at ground level and has no fear to take on anyone. His speed around the packs is fantastic to watch, finishing with 3 goals I think this was his best game for the year. We have witnessed the development of first year player Henry Daniel, his maturity and attitude over the last 7-8 weeks has helped the Team

(B Grade continued)

in many attacking moves. He takes a great contested mark and dominates his ruck work. Henry has a great future at our club.

Jase and Pembo continue their consistent footy both picking up plenty of touches and playing a huge role within the playing group. We now have a 9:7 win loss ratio with 2 games left and a finals berth becoming a reality.

The C's bounced back from the disappointing loss last week with a solid win over second bottom Gepps Cross at Duncan Fraser Reserve. The side was far from its best in the first half with numerous players not showing much respect to the opposition and being guilty of playing some selfish football.

This was quickly turned around at half time and a much better result was achieved in the second half. Special mention to Aaron Richards who kicked a bag of six goals and plenty of behinds. Dan Romano thought he had six goals as well when he kicked one through the Auskick goals to the side of the oval. The ball went out of bounds on the full by a solid 40 metres.

All the best to Mick Sanders who suffered a broken rib and punctured lung in a collision where, as per usual, he was putting his body on the line for the team. No doubt Mick will be back knocking up some of his finest yogurt very shortly at the Moo Premium Foods factory.
