A very pleasing result and one of the best games I have been involved in with this group of players. For the first time in a long time we were able to stay in touch with an opposition and be able to over run them in the last quarter. It was an all round effort with no passengers and contributions from all lines on the ground.

We had a buoyant start to the game but struggled to convert our opportunities and even though we did not score a goal in the first term the mood was still positive. The second term was similarly frustrating having good momentum yet only converting 2 goals and trailing FP 2 goals to 5 at the long break. Our third and last quarters were brilliant with strong defensive actions and good use of the footy. We moved the ball quickly into attack and kick 4 goals in both the third and final quarters to run out victors by 10 points. Thanks must go to Rupa, JR and Pencil for their efforts on the bench. It was a calm and controlled environment with good clear instruction and rotations.

Business Directory Out Now!

One of the highlights from the weekend was the release of the PAOCFC Business Directory for the third year. Over 70 sponsors are highlighted in the book and we hope that supporters and players will take the time to read the directory and support those who support the Reds!

Included in the Business Directory is information such as fixtures, player numbers, committee contacts as well as plenty of great promotional offers from many of the sponsors.

Copies will be available at the game this week.

Best Players: Ned Holmes, Jack Ramsey, Tom Prest, Lachie Wilson, Henry Daniel, Harry Barnes

It was important that we backed up our good win the previous week with a strong performance against Flinders Park. Unfortunately this wasn't the case and we were comprehensively outplayed by a team that were first to the ball, stronger in the contest and ran harder than we were willing to.

Aside from a patch of 10 minutes in the 2nd quarter did not apply the appropriate level of pressure required and Flinders Park were able to create a number of scoring shots, despite the best efforts of our back 6. They toiled hard all day but the lack of defensive pressure from the forward line and midfield created too many forward 50 entries for the opposition.

Ned Holmes was excellent in his return after a few weeks on the sidelines, firstly in the backline and later in the midfield. Jack Ramsey & Tom Prest were solid across half back. This is a timely wake up call for the team. There are no games in this division where we can expect to turn up and win. We need to re-focus this week to get back playing our one-on-one contested style of football.

Best Players: Tim Sanders, Nick Brooks, Will Latchford, Sam Wood, Lucas Lovell, Cam Garry

The C grade played a fantastic game of footy on Saturday morning up at Tea Tree Gully. TTG started strongly with quick clean movement of the footy and had plenty of run which had the Reds coaching group scratching their heads for answers. TTG were out to a 4 goal to 1 lead at the 15 minuet of the first quarter. Tim Boucaut went to CHB, Jack McPhee came off the bench to shut down one of TTG quick forwards. Both moves had an immediate impact. At the first change we were down by 7 points.

During a very tight 2nd quarter our midfielder were starting to take control as our opposition started to slow. Nick Brooks at the goal front was leading well and our delivery to him was first class. 2 points down at the long break.

C Grade continued

In the 3rd & 4th quarters we were able to maintain the pressure on TTG and ourselves to keep both our defensive and attacking running at a high level that saw TTG unable to keep up the pace. Lead by our senior players like Tim Sanders. Will Latchford, Lucas Lovell in the centre of ground and Sam Wood down back we took full control and were able to run out comfortable winners by 5 goals.

On sad note Travis Cordingley broke his leg just before the final siren. The whole team wishes Travis all the best and a speedy recovery as he is due to head off overseas in a few weeks.
