### **A Grade**

Round 12	Q1	Q2	Q3	Q4	Tot
PAOC	1.0	2.2	2.2	5.3	33
Modbury	1.1	4.3	7.3	7.5	47

**Goal Kickers:** Karl Siebels 4, Will Curyer 1

**Best Players:** Karl Siebels, Zac Tschirn, Cameron Graetz, Jos Builder, Will Curyer, Tom Wicks

The trip to Modbury was always going to be a difficult one especially given the conditions. Even though Modbury had only registered 1 win for the season they had been quite competitive in the wet in recent weeks. I thought our A grade squad came with the right attitude and were ready for the physical encounter and that's exactly how the game panned out. The first half was basically a scrap with no team having any real momentum with the footy. Modbury managed to outscore us 4 goals to 2 and produced some scoring opportunities out of nothing. We lost our way in the third term letting through 3 unanswered goals and it looked as though the game was out of reach.

We needed a spark in the last term and it came in the form of three of our youngest players. W.Curyer, M.Brealey and C.Graetz all had an instant impact when thrown on ball in the last term. We had several thrusts forward and kicked the first 3 goals of the term however we left our run too late. Modbury were able to bottle up the last 10 minutes of the game and that's all she wrote.

Although our side was relatively unchanged from the previous week we had a few guys who just couldn't find the footy and we struggled to gather any momentum throughout the day. All is not lost and we look forward to the challenge of playing SMOSH at Park 9 next week.

Terrible conditions greeted us at Modbury but after a good week on the track I felt we were ready to atone for the beating Modbury had given us earlier in the year. Unfortunately we weren't and Modbury jumped us, as they did in round 3.

Our first half was poor and ultimately cost us the game. Across the ground we lacked intensity with too many players happy to only work one way. Modbury ran hard from half back and through the midfield and we refused to go with them. At the half we were lucky to be only 20 points down.

We were switched on after the break and played one of our best quarters for the year. There were second, third and fourth efforts across the ground. The backline was terrific and the midfield and forward line worked hard to keep the ball in our forward half. We pegged the margin back to a goal by 3 quarter time but unfortunately that would be as close as we got.

Our inconsistent play continues. Our best is good enough to compete against the premier teams in this competition but we have not yet produced it for 4 quarters. Something we must address this weekend against SMOSH.

Hopefully the boys learn some wet weather footy lessons from Saturday's game against Modbury. In a game that we got smashed in, Modbury showed us that to win in the mud you need to play in front, attack the footy with 100% commitment, still need to put the ball to advantage, run and last of all move the ball as quickly as possible.

### D Grade

Round 13	Q1	Q2	Q3	Q4	Tot
PAOC	2.1	3.3	6.3	9.3	57
Modbury	2.2	4.2	6.5	6.7	43

**Goal Kickers:** Aaron Richards 4, Dan Stevens 3, Brad Weidenhofer 2

**Best Players:** Scot Boorman, Seb Richards, James Hill, Charlie Olsson, Aaron Richards, Matt Davis

A very good and important win by the D grade against 2<sup>nd</sup> placed Modbury. It's becoming a fight to hold our spot in the top 5 and the lads showed they were more than up to it. Although playing in conditions normally more suited to our opponents the intensity and effort shown ensured we were eventually able to get achieve a win that keeps us in the hunt for finals action.

The first 3 quarters were an arm wrestle, trailing by 1, 5 and 2 points at each of the breaks. Conditions worsened in the 3rd term as the rain starting coming down and Park 9 went from wet and slippery to a bog. After our opponents went forward early in the final quarter we were able to stop their attack and then dominate from that point forward. We were able to work the ball contest by contest forward and then locked the ball in our forward line, not giving our opposition any space and being rewarded for our efforts with 3 goals straight to win by 14 points.

Scott Boorman was BOG having moved from ruck to a wing. He was able to read the play, rebound as well as provide drive throughout the day. Seb Richards was the workhorse in our midfield continually getting the ball or bring down opponents to ensure we were not overpowered inside the contest. James Hill continued his run of form chasing, harassing and winning his own ball. The conditions were made for Charlie Olsson who used all his rugby scrum skills to burst through packs at every opportunity. Aaron Richards kicked 4.0 in conditions not suited to a key forward and provided a target who also worked to keep the ball in his area. Matt Davis was again strong on the last line of defence and used his prodigious kick to get us out of trouble and set up the movement forward. Dan Stevens had a break out game kicking 3 straight from half forward/pocket and getting involved continually throughout the game. It was a genuine team effort that was needed it's a credit to everyone who played that they took on the opposition and came out deserved winners.

The next 3 games are all must wins. On Saturday we had a glimpse of what we can achieve with the intensity and commitment. We need to show this both on the track mid-week at training as well as game day.
