**Goal Kickers:** Matt Jackman 2, Karl Siebels 2, Zac Tschirn 1

**Best Players:** Matt Jackman, Will Curyer, Simon Potts, Adam Perryman, Henry Olsson, Karl Siebels

It was another slippery sloppy slugfest at Park 9 on the weekend and the past players marquee was in good spirits. A good start was important given that the rain was coming and we needed a much improved output from our young midfielders given last week's result.

In an unprecedented pre game move Bomber Brinsley was thrown the Captains arm band in the absence of JR, Hugo and Wicks and it would be fair to say he relished the opportunity to lead his beloved Reds.

Our energy and grunt around the footy was much improved from the previous week against SHOC and it turned out to be the difference in the match. We had even contributions from all parts of the ground and our young group of Graetz, Curyer, Olsson, Tschirn, Mosey, Holmes and Brealey generated positive scoring opportunities and persisted in the treacherous conditions. We were able to maintain a good structure in the first term which enabled us to kick 4 goals, 2 from Siebels who has been a consistent performer at CHF for much of the season and 2 from Jackman who predominantly played in the midfield for much of the day.

Our backline again battled gainfully and was stabilized by the inclusion of Perryman who has missed a majority of the year due of work commitments. Flinders Park only managed 2 goals for the match and once Tschirn kicked our 5<sup>th</sup> goal with 7 minutes to go in the last term the contest was over.

## Past Players Day 2013 Report

It was a very wet day at Park 9 on Saturday but that didn't stop the crowd from coming out as the packed Reds Marquee watched the boys achieve a courageous win over Flinders Park.

The wet conditions ensured the Past Players were able to keep a solid pace of one Coopers keg consumed per Reds goal, with Club sponsor Glenn Cooper in attendance and ensuring there was plenty to go around.

The highlight of the day was the past players in the marquee and the A Grade all enjoying the Club song in the rain after the amazing victory.

Best off ground went to Andrew Heitmann who checked himself out of hospital, after copping a knee to the kidney during the 10.15am C Grade game, to ensure he didn't miss the afternoon. Heito arrived back at Park 9 by 3.15pm and then after knocking back a few beers with the past players he returned to hospital with Jimmy Carter playing the role of ambulance driver.

Following the game it was back to the Hackney where John "Easo" Easling and Glenn Cooper got up on stage to tell some great stories from their playing days and present the awards to players.

A big thank you to Coopers, Thomas Foods International, Hugo Wines, Stam Fruit, Faraway Hill, Mitchell Wines, Robert Menz and all other sponsors that contributed to making the day such a huge success.

Park 9 was in good condition for the start of the B grade and a big past players day crowd provided a great atmosphere. Kicking into a 2-3 goal breeze in the first quarter we competed hard and won plenty of ball through the midfield. The last kick into our forward line let us down on a number of occasions which limited our scoring opportunities.

The instruction at quarter time was to work harder both back and forward and put the ball to our forwards advantage. The players executed these directions perfectly as we took control of the quarter to be in the game at half time. We then put in a disappointing second half. A 7 goal 3<sup>rd</sup> quarter to Flinders Park was the difference as we got a great lesson in sustained work rate.

As pleasing as our effort was in the first half it was an equally disappointing second half. No doubt there are areas to work on but we are also playing great patches of football throughout games. We head to Kilburn this week with the chance to work on improving our consistency and stringing together 4 quarters of hard running, competitive football.

**Best Players:** Tim Sanders, Travis Dawe, Justin Trinne, Michael Siciliano, Nick Brooks, Nick Sanders

Well we certainly had the best of the conditions for the day with our 10am kick off time against TTG at Park 9.

After a tight first half we had managed to hold a 2 goal advantage at the long break. TTG were starting to run out of steam late in the second term as they only had 19 players compared to our full roster of 25.

In the second half we were able to control the pace of the game and we improved our delivery into our forward line. Nick Brooks had an interesting game battling two TTG defenders most of the time but with 7 goals you have to say he won that encounter. Strong defence from Travis Dawe and Michael Siciliano meant that any TTG attacks were shut down effectively.

Low light for the day TTG #13 knee first into the back of Andrew Heitmann which lead to Andrew going off to hospital with badly bruised Kidneys. Spectator highlight Thumper Thomas receiving a hand ball (most unusual) from Nick Brooks no more than 12 metres out pretty much straight in front with nothing between Thumper and the goal. Thumper was already for the big celebration but you have to kick the ball between the 2 big sticks to score a goal. Never mind the crowd did enjoy the point Thumper.
