A positive 1st and 3rd quarters matched with relatively flat 2nd and 4th quarters was the story of the day at West Lakes. SMOSH had a majority of the ball in the early part of the first quarter before D.Reed took control of the contest kicking 3 goals and setting up C.Graetz with another which gave us great momentum going into the first change leading by 2 goals.

Scoring opportunities dried up and a few undisciplined acts allowed SMOSH back in the contest in the second term as they registered 4 goals 2 to our 2 goals 1. It was the first time this season that we looked sluggish and this was magnified by our skill execution. We lost Potts at the beginning of the third term and we needed a spark from somewhere. Our midfield started to get on top and the move from Brinsley to the forward line created some good scoring chances.

A 6.4 quarter to the oppositions 3 goals was a good result and we had the game in control. A few early chances in the last left the door open before some wayward kicking enabled SMOSH back into the contest. Our backline were under pressure and our inability to rotate due to injury left us vulnerable and SMOSH were able to get within 3 points. In what was a dramatic last 30 seconds as SMOSH had a shot after the siren that fell short and gave the A grade another close victory. Energy and consistency will be the focus this week as we take on SHOC at home before a week off.

It was another exceptional defensive effort that led to a convincing win on the weekend. SMOSH were up and about early and had plenty of possession in the first 10 minutes. Our backline were up to the challenge and by quarter time we had absorbed the pressure and got the game back on our terms. If not for bad conversion we would have been further in front.

We lifted a gear in the second quarter. Our run from the backline through the midfield gave our forwards plenty of opportunities. In a similar story to the first quarter we didn't convert in front of goal however defensively we kept SMOSH to 1 goal at the long break so we had set up a sizeable lead.

The game opened up in the second half and we regularly hit the scoreboard. Against a tiring SMOSH we ran plenty of numbers through the midfield allowing all players to have an impact on the game.

We now face a huge challenge this week against the undefeated SHOC.

We were all set for a big out day on Saturday with Nick Brooks playing his 100th game and us taking on a team that failed to score last week. We know we were in for a real battle after only 5 mins of play. Salisbury hit the park all fired up and played some real good footy and at half time had built up a 3 goal lead.

Things were not looking good as we copped a couple of injuries. We wish Will Thredgold a speedy recovery from a heavy knock which result in Will have part of a Kidney removed on Sunday in the RAH.

To the boys credit we fought and fought to gain control of midfield and slowly we were able to narrow the margin. We finally hit the lead with less than 2 mins remaining. Step up Harry Barnes and Nick Sanders as Salisbury ventured forward and got to within 1 metre of their goal line this pair work together under extreme pressure and quick thinking they were able to repel this attack.

Best Players: Paul-Alexander Politis, Jack Dent, Will McPhee, Cameron Burfield, Tom Gray, Cameron Garry

A really positive game and great result for the D grade this week. PA Politis in his 100th game for the club set the expectations for us all with his ferocious attack on the ball and hard running. The execution of skills, spread and run was of the highest standard and the resultant scoreline is a measure of the effort put in by everyone and has set a standard for the remainder of the season.

Jack Turner dominated the ruck supplying the midfield consistently with first use. Jack Dent, Harry Bilyk and Cam Garry were dominant up forward whilst Will McPhee, having been separated from his twin, decided to do the work of both anyway across half forward and through the middle. Cam Burfield continues to mature whilst everyone running through the middle and on the wings contributed to an attractive and fast moving game. The backs had a quieter day but when called upon defended and rebounded to set up forward thrusts.

A few injuries was the only low point with an empty bench in the last quarter (and we have a 7 man bench!). Best wishes to James Hill who broke his collarbone going hard in a contest as always, best of luck with the recovery and let's see you back soon.

Round 7	Q1	Q2	Q3	Q4	Tot
PAOC	5.5	8.10	11.11	14.16	100
Adelaide Lutheran	0.2	2.4	4.6	5.7	37

Goal Kickers: John Waltham 9, Tyson Smith 2, Scot Tyndall 2, Alfie Brown 1

Best Players: Justin Broughton, John Waltham, Tyson Smith, Nick Pemberton, Ben Newbery

The E grade bounced back from last week's disappointing loss, getting the job done against Adelaide Lutheran. With a strong side in, the boys were up and about from the first bounce, opening up the game with a five goal to none first quarter to get the ball rolling. The boys continued on and steadily increased the margin at every break in a positive showing of some more consistent footy.

Our midfield dominated, with Justin Broughton leading the way, again racking up heaps of the footy and hurting the opposition with his run. He was well supported with Pembo and Tyson Smith also providing plenty of run and carry, hurting the opposition every-time they got possession.

Down back, the Newbery boys and Tom Davies led the way, with their experience and ability to read the ball, cutting off many of the oppositions attacking movements. Up forward, Jonno Waltham was a standout, with his always impressive contested marking and improved goal-kicking, he was far too good for the opposition and ended the day kicking nine. To make his day out even more impressive, Jonno had some contact lense issues and still managed to slot nine, imagine the damage he could of caused if he could see out of both!

The E grade will be hoping to continue their good form this week in a big Friday night clash under lights against Adelaide Uni at 7:00.
