Best Players: Cameron Graetz, Justin Graetz, Josh Hall, Max Clarke, Nick Braund, Ryan Tromans

It was one of the more interesting games the A grade has produced for the season. We were forced to make 5 changes to the team with Clarke and Tromans playing their first A grade game for the season and Siebels, Maney and Blanch coming back into the side. After a couple of close games in recent weeks we were looking to consolidate against SHOC who had been producing some good efforts without taking the points.

It was another slow start for the A grade which has been the case all season and for much of the first half both teams traded blows in the wet conditions without any real pressure being applied to the scoreboard. It was difficult to control possession and goals were hard to come by SHOC having the best chances kicking 3.5 to our 3.2 to half time.

It was a much better start to the 3rd term with the Graetz brothers starting to dominate out of the middle however in a bizarre set of circumstances a head count was called 10 minutes into the term. Given we believed SHOC were only supposed to be playing with 17 men we lost the count and subsequently gave away a free kick and shot on goal. This seemed to unsettle just about everybody including the coaching staff and we only managed 3 behinds for the term.

A lift from Nick Clayfield in the ruck and an early goal from Max Clarke opened the gates as we piled on 5.1 in the last quarter to run out winners by 8 points.

Our defence has been solid for most of the season and it was pleasing again to have good contributions from Braund, Hall and Wicks.

Congratulations to Karl Siebels who has been selected in the SAAFL Rep side to play in WA this weekend. Karl has had a solid start to the season kicking 15 goals and holding down CHF.

Our biggest challenge to date awaited us Saturday against fellow undefeated team SHOC. As was the theme throughout the grades, there were plenty of changes to the previous week's team with a couple of injuries and Max Clarke, Nick Blanch, Brad Maney and Ryan Tromans gaining well deserved call ups to the A grade. But with Tom Ashby and George Choimes returning from injury and Jack Latchford, Ryan Winter, Fraser Ellis and Mick Phillips promoted from the C's we fielded a strong line up across the ground.

The first half was a low scoring affair with both teams entering the long break 3 goals apiece. We controlled the general tempo of the game, won plenty of contested possession and applied great pressure to SHOC when they had the ball. However our delivery to the forward line was poor. Too often bombing long to contests and allowing SHOC to easily mop up and run the ball back the other way.

After a few minor tweaks at half time we maintained our pressure and ferocity at the contest and began to hit the scoreboard with efficient ball use into the forward line. Fry became dangerous as we began to deliver to his advantage and small forwards Phillips, Dahlenburg, Moroney, M Burford and co played their roles perfectly all to hit the score sheet.

We continued to apply the pressure in the last quarter keeping SHOC goalless. It was another disciplined performance from our defence. Our half back line was outstanding with Rees and Sanders leading the way for the youth of Pearce, G Burford, Latchford and Honner to follow. It was a tireless effort through the midfield. The workrate and pressure applied all day was exceptional and was a major factor to the 45 point victory.

Saturday's game followed a very similar pattern to most of our games this season. A real battle up until half time but from then on we were able to control the game and hit the score board.

We fielded a very different side this week with a number of lads coming up from the D grade and I must add that all played extremely well and coped easily with the extra speed/pressure of the C grade.

The only downside was our final delivery into the forward line was a little off something we can work on this over the coming weeks.

Special mention for Justin Bonney and Henry Treloar both played solid 4 quarter games.

D Grade

Round 8	Q1	Q2	Q3	Q4	Tot

Payneham NU	1.1	3.2	3.3	3.3	21

Goal Kickers: Jack Dent 10, Will Farminer 2, Matt Favell 1, Aaron Richards 1, Paul-Alexander Politis 1

Best Players: Jack Dent, Matt Favell, Charlie Comerford, Sam Wood, Will Farminer, Charlie Hall

A very good win by the D grade this week. With 13 changes it was a credit to the depth of the club and those lads who came into the team that we played some of the best football all season. A highlight for me was the application showed by everyone to winning the each individual contest and attacking the opposition. It was great to have feedback from the opposition that we were harder and tougher at the ball than expected. With Jack Dent providing a focal point in attack we won the clearances, getting the ball in space to our runners and then delivering the ball with composure. Heading into the bye at 7-0 we are well placed with players coming back to continue our good form.

Congratulations to Mick Sanders who played his 200th game on the weekend. Mick has been playing with the PAOCFC since 1993 having left school a few years earlier. He played his first season of footy in the much celebrated 1993 D grade premiership team (Mick was a emergency reserve in the victorious GF side). After a couple years away due to work commitments, Mick re-commenced playing in 1997 predominantly playing in the A grade (unfortunately losing the GF to Scotch), where he remained for a couple years before heading overseas for a year. Retuning again to the Reds, Mick captained the B grade side into a GF (unfortunately going down to Walkerville) and has since played in both the C and D grade sides (winning 2 premierships in the C's).

Mick has been a prominent club sponsor and supporter (MOO Premium Foods) for a number of years and now joins brothers (Baz and Colonel) in the 200 game club. Latest reports suggest he is now working towards 300! Congratulations on reaching the 200 game milestone.

Round 8	Q1	Q2	Q3	Q4	Tot

Goal Kickers: John Waltham 6, Scot Tyndall 4, Leigh Warren 2, Angus Lawrence 2, Andrew Newbery 1, Jon Temme 1, Nick Pemberton 1

Best Players: Alfie Brown, Jon Temme, Nick Pemberton, John Waltham, George Hannaford

The E grade faced Adelaide Uni in a Friday night blockbuster under lights at Uni oval. An impressive turn out of Reds supporters witnessed some pretty good footy from the E grade who were too good for the opposition on the night. After a tough opening 10 minutes, we were able to kick away and open up a lead by quarter time, which the boys were able to build on the margin at every quarter in an impressive 4 quarter display.

Up forward, the usual suspects of Tyndall and Waltham were marking everything in sight, finishing up with 10 between them. Our midfield was led by the super consistent Pembo, who as always won heaps of the footy and gave our forwards great delivery. Our two wingmen also stood out, Hannaford with his impressive second and third efforts, and Alfie Brown for standing in the way of many Uni attempts to clear their defensive 50. A couple of star recruits in Tom Prest and Jon Temme set us up from the half back line, with their great composure and long kicking leaving Uni with no answers.

Overall it was a great team effort and good to see the boys stand up playing in a big game under lights. All the boys performed their roles beautifully and ran out the game full of run, managing to keep the opposition goalless in the second half.
