It was another hard fought win from the A grade who came up against a competitive and speedy PHOS Camden on the weekend. PHOS were sitting on the bottom of the ladder but had been competitive in recent weeks and had notched up their first win for the season before the break. The inclusion of Potts, Dalwood, Ashby and Brinsley strengthened the spine of our team and the boys were confident given our recent form.

We started well controlling the ball from the back half and kicking 4.1 in the first term. It did however become clear that our on ballers were going to have their work cut out with PHOS continually breaking from stoppage with quick hands and speed. Conditions were heavy and slippery which made tackling and change of direction difficult and both sides had trouble keeping their feet.

In the second and third terms we showed patches of good structured play and kept the score board ticking over kicking 3.4 and 2 goals. Given the size of the ground it was quite easy to move the ball from defence to attack and our backs were continually under pressure. PHOS had most of the play however couldn't consolidate kicking 4.1 in both terms.

A lift from our midfield in the last and a focus on moving the ball quickly generated 15 inside fwd 50's to 7 and a 3 goal to 1 term to give us a comfortable 28 point victory.

Best Players: Daniel Fry, George Choimes, Nick Rees, Lachy Wilson, Callan Buchecker

Overnight rain made for slippery conditions against PHOS Camden and it was the home team that adapted first. Before we knew it PHOS had kicked the first 4 goals of the game, playing the ground and conditions well while we missed our first few opportunities up front. Halfway through the first quarter we were able to free up Rees behind the ball and we began to control possession and flow of the game.

After kicking the last 2 goals of the first quarter we raised the bar in the second creating 10 scoring shots while limiting the opposition to just 2. Rees controlled the backlines and with Graetz and Sanders following his lead they provided great run and direction. Choimes' work rate and effort lifted the entire midfield and the duo of Thomas and Fry up forward became dangerous. Both key forwards worked well in tandem, Fry the major beneficiary on the scoreboard but JR's efforts are not underestimated.

We knew PHOS would come out hard after the half time break and we were able to match then surpass their work rate to outscore them into the breeze. Kicking with the aid of the 2-3 goal breeze in the last quarter we were able to kick the first 2 goals to put an end to what was a good contest all day.

This was a good hit out against a competitive team. We didn't have things our own way early but through continual work rate we turned the game around and were able to play on our terms for the final 3 quarters.

Best Players: Ben Young, Oliver Clarke, Justin Bonney, Fraser Ellis, Harry Barnes, Alex Butenko

It was a bit of an arm wrestle at Park 9 with inaccurate kicking from the C Grade keeping Blackwood in the game. Nick Brooks proved to be the difference between the two sides with crucial second half goals ensuring the Reds took the points on the day.

The side has had an impressive first half of the season winning all 8 games played to date (1 bye as well) and we will look to cement the advantage against Tea Tree Gully.

D Grade

| Round 9 | Q1 | Q2 | Q3 | Q4 | Tot |
|-----------------------|-----|-----|------|------|-----|
| PAOC | 6.1 | 9.2 | 12.3 | 15.6 | 96 |
| Colonel Light Gardens | 1.2 | 1.2 | 1.2 | 3.3 | 21 |

Goal Kickers: Harry Bilyk 5, Jack Dent 4, Paul-Alexander Politis 3, Cameron Burfield 1, Justin Broughton 1, Seb Richards 1

Best Players: Harry Bilyk, Cameron Burnett, Paul-Alexander Politis, Jack Dent, Aaron Richards, Cameron Burfield

The D playing at home accounted for Colonel Light Gardens C grade in an unfortunately shortened game. J Lo Thomas suffered some friendly fire in the second quarter with a clash of heads however the news later that day was positive with him being home for dinner and a CT scan finding nothing "insert comment here". J Lo will have to dust off his headgear and hopefully be back on the track in a few weeks. Notable performers were Harry Bilyk and Jack Dent up forward, J Lo back to his best in the middle before leaving early in the ambulance, our underrated defensive unit remaining solid and rebounding nearly every offensive threat. Cam Burfield is maturing every week across half forward with Cam Garry and Aaron Richards. Cam Burnett had a breakthrough game in his final game before heading overseas was a rock in the backlines never being beaten in a contest, making the 2nd and 3rd efforts needed and then running off his opponent. Overall a pleasing result.

We have reached the half-way point and having played all the other teams once we remain undefeated. 56 players have so far played a game in the D's with 29 goal kickers showing the depth running throughout the club. As we approach the colder and less pleasant weather it is important that we maintain our attendance at training and reset for the 2nd half of the season so that the opportunities opening up for us and the club has a whole can be achieved.

E Grade

| PAOC | 2.2 | 5.2 | 5.6 | 7.7 | 49 |

Goal Kickers: John Waltham 6, Michael Siciliano 1

Best Players: Justin Green, Jason Schell, Alfie Brown, Tom Barnes, Tyson Smith, John Waltham

The E grade took on bottom side Woodville South at home in a match we expected to win but fell well short. Kicking with the breeze in the first quarter we were very slow to get going and paid the price. Woodville got the start they were after and controlled the match for the remainder of the day.

John Waltham was good up forward and Justin Green was impressive in the ruck. Jase Schell made a comeback and looked impressive when required to run in straight lines. His sideways movement will come with more match practice.

Just a bad afternoon so we look to next week!
