PAOC	3.6	9.12	11.16	12.19	91

Goal Kickers: Karl Siebels 3, Brendan Papps 2, Matt Jackman 1, Tom Wicks 1, Nick Clayfield 1, David Reed 1, George Choimes 1, Justin Graetz 1, Simon Potts 1

Best Players: Will Hugo, Cameron Graetz, Brendan Papps, Tom Wicks, Karl Siebels, Justin Graetz

Our first quarter start was the focus this week against Walkerville after being well beaten last week by top side Payneham. The A grade made 4 changes to last week's team due to injury and exams which gave the opportunity to those in the lower grades and rewarded their good form. Tromans, Holmes and Perryman came back into the side whilst we welcomed into the fray George Choimes to play his first A grade game of the season.

Park 9 was in good shape considering the rain during the week and there was a flurry of early scoring chances. Walkerville were extremely accurate kicking 4.0 to our 3.6 in the first quarter and this would be a trend that continued for the rest of the game.

Our second term was clearly our best with our midfield taking control through Dalwood, Graetz and Hugo and the backline strangling the few chances that the opposition had going inside 50. Our decision making from the back half was a real improvement helped by Wicks and Perryman and we had 12 scoring shots to 3 kicking 6.6 to Walkerville's 2.1.

With a stiff breeze blowing across the ground and favouring neither end it was an even third term and there were signs the game was going to play out in a bit of a slog as the heavens opened. Walkerville came at us hard at the beginning of the last and we appeared to lose our way fractionally to concede 4 goals but we had done enough and finished the game winning by 7 points.

9 goal kickers and 31 shots on goal was an indication that we did a lot of things right and we were able to find different avenues to goal the best of them being Siebels with 3 and Papps 2. We now look forward to the challenge of being the hunted playing Flinders Park next week.

The week of rain made for wet & sloppy conditions at Park 9. Walkerville started strongly and made the most of their opportunities to build a handy lead given the conditions. We wasted a few opportunities that contributed to the deficit.

We came out with a different mindset in the second quarter and immediately gained control of the game. A dominant quarter saw us gain the lead at half time but more importantly we had fought back to control the flow of the game.

After a reasonably high scoring and free flowing first half, given the conditions, the second half tightened up. While our scoring slowed down, we were able to lock the ball in our half of the ground and shutout Walkerville's scoring chances. This allowed us to finish the game with a comfortable 16 point victory.

As always we had contributions from all players throughout the game. JR worked tirelessly at CHF and he was well supplied from our hard working midfield. Great to see players such as Ellis, Treloar, Clarke and Butenko push up from the C grade and all contribute to the win.

C Grade

Round 11	Q1	Q2	Q3	Q4	Tot
PAOC	2.3	6.7	9.9	12.12	84
Hope Valley	2.1	3.1	6.1	6.3	39

Goal Kickers: Lucas Lovell 4, Jackson Myhill 2, Harry Collison 2, Nick Brooks 2, Justin Broughton 1, Jack Ramsey 1

Best Players: Tom Barnes, Pat Whitford, Harry Barnes, Justin Broughton, Harry Collison

In tough windy conditions the C grade managed to grind out a comfortable win against Hope Valley.

Set up by a good opening term against the wind in which we outscored HV by a couple of points. Harry Collison was marking everything that came his way, Patty Whitford was playing a absolute blinder in ruck giving our midfield first look every time and the defence led by Jack Ramsey was well on top.

In the 2nd quarter we controlled the game but failed to take full advantage by delivering the ball to our forwards into the dead pocket which resulted in far too many behinds. 3 goals up at the long break.

The game opened up a little in the 3rd term, HV attacked hard but were unable to match our hard running mids like Bazz and Tom Barnes. HV kicked 3 but this was matched by the Reds also slotting 3 for the quarter.

The final term was the Lucas Lovell show by getting to the right spots and working hard he slammed on 4 big ones. Just goes to show if the team brings the ball in on the right side of the oval scoring is made easier.

D Grade

Round 11	Q1	Q2	Q3	Q4	Tot
PAOC	1.0	2.0	2.1	4.1	25
Hope Valley	6.7	10.13	12.15	12.18	90

Goal Kickers: Will Farminer 1, Matt Faull 1, Cameron Garry 1, Sam Wood 1

Best Players: Paul-Alexander Politis, Angus Parkinson, Matt Faull, Charlie Hall, Cameron Garry, Randall Lloyd, Seb Richards

The D grade suffered their first loss for the season out at Hope Valley. Although a difficult week with selection etc we were able to take a number of very good lessons from the game. The ground conditions did not suit our run and open style and we were not able to adapt in the first half. Taking the line from John Coop, we reset at half time as being nil all and managed to break even in the 3rd and 4th quarters.

At half time we asked for a real effort to bring the game back to one on one football and to break even with your direct opponent. The ability and willingness to place a younger lighter body on the line against a team of older and experienced players and then go again for a second and third effort enabled us to break even at 2 goals apiece over the last half of the game. This was exemplified by those lads in the best players Angus Parkinson, Charlie Hall and Matt Faull. The experienced players Cam Garry, PA, Lloyd and Seb set a positive example but it was the younger guys that lead the response. It is good to know for later in the year that even with

nothing left on the bench our fitness work remains a strength and we can always come back at any opposition.

The next few weeks will have more ovals that will not suit our natural game-plan. Hopefully with more numbers available we can get back to using our rotations and work on adjustments to our game-plan to get back to our winning ways.

E Grade

Round 11	Q1	Q2	Q3	Q4	Tot
PAOC	0.1	0.3	1.4	3.5	23
Scotch OC	3.4	4.6	6.7	8.12	60

Goal Kickers: Scot Tyndall 1, Grant England 1, Oliver Collison 1

Best Players: Oliver Collison, Anthony Allen, Ben Nicholls, Richard Denton, Matthew Davis

The E grade celebrated the arrival of some older fill ins, by donning the retro guernseys for a heritage themed round (see photo below). Thanks to some former players who made themselves available to help us field a full team against Scotch. Among them was Jimmy Carter who proudly broke the record of the Club's oldest player and his two hit out contribution called for plenty of celebrations at the Hackney that night.

On the field it was real wet weather footy which probably suited our older, slower line up. However the Scotch boys were too good and managed to hit the scoreboard far easier than us, despite it being a fairly even contest. Our better players included schoolboys Olly Collison and Ben Siebels whose run, tackling and sharp skills shone out amongst their older teammates. Our backline was held together by Matty Davis, Ben Newbery and Michael Rodda shutting down the oppositions hand forwards.

Ben Nicholls' work through the midfield in his first appearance of the year, Anthony Allen's tackling and stoppage work and Richard Denton's toughness and ability to smash into a contest kept us very competitive throughout. Despite it not being our day, it was a positive performance for the E grade, against a tough opposition and missing an array of our normal stars, we will look to bounce back against Mitcham in the afternoon game next week.
