It was an impressive fight back from the Reds on the weekend however we were exposed on the outside by a hard running Payneham outfit. Giving Payneham a 4 goal head start was certainly not the ideal start and it took until half way through the first quarter for the A grade to settle. A couple of brilliant individual efforts from Matt Jackman and a collective response from the playing group enabled us to get back in the contest and only trail by 2 goals at half time.

A sluggish start again in the second saw Payneham kick the first 2 goals of the second quarter before we arrested the momentum back winning some solid midfield ball and kicking 5 goals to 2 for the term to be down by 5 points at the long break.

The third quarter was a torrid affair with both sides playing some really exciting footy. Once again our contested possession was a highlight and our ability to pressure Payneham into error allowed us to generate scoring opportunities.

Trailing by 3 points heading into the last it was always going to be the small things that counted and a few crucial turnovers in the last 10 minutes allowed Payneham to kick away and take the victory by 17 points. The A grade continue to play a good brand of footy that will hold us in good stead under Preliminary final pressure. Our players must come on edge and ready for the fight against SHOC at Richmond Oval this weekend.

You couldn't have asked for better conditions at Payneham Oval on Saturday. After the D's and E's got the job done in the early games we set about making it 3 grand final berths from 3 starts for the day.

We were sharp from the first bounce and with a goal in the opening 30 seconds we were able to settle down and play the style of footy that had got us to this point in the season. Work rate was the order of the day and with the benefit of the week off we looked fresher than our opponents and had 3 goals on the board in quick time. Our forwards were busy with Fry, Moroney and M Burford strong in the air and at ground level. We went into the first break with a handy lead but more importantly we were controlling general play across the ground.

The second quarter was an even contest. Defensively we were excellent but struggled to capitalise up forward kicking into the breeze. However at the main break we were able to maintain our quarter time advantage.

After half time we increased our pressure across the ground. Our attack on the contest, use of the footy and work rate lifted across the lines. We took control in the midfield; led by Blanch and Prest in the ruck the runners in Wilson, Olsson, Sullivan, Winter and the Broughton brothers had a purple patch. From here on we ran away with the game and recorded a sound 10 goal victory.

We now look forward to another week off and an opportunity to support the A, C, D and E grades this weekend. Best of luck all teams!

D Grade

Preliminary Final	Q1	Q2	Q3	Q4	Tot
PAOC	2.2	7.6	11.9	15.13	103
Colonel Light Gardens	0.2	0.3	0.7	2.8	20

Goal Kickers: Jack Dent 6, Harry Bilyk 3, Jackson Myhill 2, Shaun McFarlane 1, Cameron Garry 1, Aaron Richards 1, Seb Richards 1

Best Players: Cameron Burfield, Jack Zacker, Jack Latchford, Jack Dent, Chris Spencer, Randall Lloyd

The early start and a Prelim Final against Colonel Light Gardens' C-grade was the challenge put in front of our D-grade in order to progress to the final game of the season.

A more relaxed build-up as well as a settled back 6 paid dividends as CLG were held goalless until half way through the final term. Sludge Bilyk returned to the side this week after an incident with a tree and he wasted no time slotting a snap over his left shoulder from deep in the pocket. This set the tone for the day and the lads just took control.

Following a review of last week's game, some minor tweaks were made to the forward structure as well as the midfield rotations. The boys took these changes on board and executed the revised plans with precision and poise not normally associated with D-grade footy.

We are only allowed to name six players in the best, there were plenty more that could be considered stiff for missing out. Special mention goes to Sam Wood who really took the game on providing plenty of rebound from half back in his 100th game.

This week we find ourselves up against the competition powerhouse in Hope Valley who have gone undefeated over the last 22 weeks. Two weeks ago we got to within 7 points midway through the final term in what was a game filled with skill errors from the Reds. This week, a more settled approach, some added finals experience and we will be looking for a more favourable outcome.

Preliminary Final	Q1	Q2	Q3	Q4	Tot
PAOC	1.1	2.4	3.6	6.8	44
Scotch OC	2.2	3.4	6.5	6.5	41

Goal Kickers: John Waltham 3, Scot Tyndall 2, Michael Siciliano 1

Best Players: Tom Prest, Mark McGregor, Grant England, Will Farminer, Michael Siciliano, Nick Pemberton

The E Grade led Scotch OC for a total of 55 seconds on the weekend but it was the 55 seconds that mattered! Trailing by 17 points at three quarter time in a low scoring game the E Grade stormed home with three goals in the last 10 minutes to secure what seemed to be a very unlikely victory.

The win was secured by the Golden Boot of the President after he crumbed the ball off John Waltham and snapped onto the left boot. Social media went crazy post game with the magic boot captured and shared with the Reds community (image below).

It is fair to say Scotch may have made a few errors on the day, the first being the decision to tag Nick Pemberton rather than Tom Prest. As he racked up his 75th possession mid way through the last quarter the opposition captain could be overheard saying "I think we may have tagged the wrong guy!".

An amazing achievement for the side in its first year of existence. A massive challenge awaits against Pembroke next week who have only lost one game for the year. Let's hope our ring ins are better than their ring ins!
