We were welcomed with perfect conditions at West Lakes and were looking forward to using the vast expanses of the ground to our advantage. We started sharply, working hard at the contest and then moving the ball with efficiency. Our forward entries were clean and our big forwards capitalised on their undersized opponents. If only for a few wasted opportunities we would have been further in front at the first break.

The second quarter was played in the same vein as the first. We worked hard both ways, limiting the supply to the SMOSH forwards while efficiently moving the ball into our forward line. We had worked hard to gain a solid lead at half time.

The second half was a different story. SMOSH came out firing, their energy and passion at the contest was well above ours and we began to pay for this. By early in the final term our 6 goal half time lead had disappeared and we were battling to stay in the contest. As the quarter progressed we struggled to kick 2 goals in a row and could never grab back the lead. A disappointing effort in the second half saw us simply outworked by a team hungrier at the contest. We will need to rectify this before we take on a firing Modbury team this week.

Coming off a couple of good four quarter efforts with convincing wins, the group expectations were high. SMOSH reserves had previously shown mixed results but from early on in the contest, it was obvious to see their intent and commitment to the contest. The first half was a bit of a shootout with the opposition frequently showing us a clean set of heels from stoppage.

Our second half was more about being defensively minded. Our intent with tackling, work rate in transition and general competitiveness lifted. Sam Gunning competed all day and worked hard at half forward to deliver a heap of ball to Daniel Fry who finished with 8 for the second week in a row.

A big challenge this week against one of the top sides in Modbury.

Round 7	Q1	Q2	Q3	Q4	Tot
PAOC	4.0	10.4	17.6	21.11	137
North Haven	5.0	5.3	6.5	7.8	50

**Goal Kickers:** Nick Brooks 6, Tom Simpson 5, Jackson Myhill 3, George Treloar 1, Tim Sanders 1, Lucas Lovell 1, Harry Collison 1, Ben Siebels 1, Nate Siebel 1, Henry Treloar 1

**Best Players:** George Treloar, Nate Siebel, Ben Siebels, Nick Brooks, Henry Basedow, Fergus Willsmore

This week we again started very slowly. We were out played for the first 15 minutes which saw North Haven jump out to a 3 goal lead. They just wanted the ball more than we did and when we did gain possession of the ball during this time we appeared to panic a little and just blasted the ball forward with very little control and no system at all. We managed to close the gap to only 6 points by quarter time.

At the break we refocused on what we needed to do and the way we wanted to do it. The boys responded in the best way possible on the score board. 6 goals to none saw us have a nice 5 goal buffer at half time.

The rest of the match followed the same pattern as the 2nd quarter. It was fantastic to see the team focused on making sure the ball was delivered to the forwards in the right area giving them easier shots to convert. Well done midfield.

Round 7	Q1	Q2	Q3	Q4	Tot
PAOC	3.4	5.9	7.11	12.14	86
Plympton	2.3	4.6	4.8	4.11	35

**Goal Kickers:** Harry Bilyk 4, John Waltham 4, Aaron Richards 1, Tom Gray 1, Drew Clements 1, Jack Zacker 1

**Best Players:** Will Wood, Charlie Olsson, Charlie Comerford, Alex Davidson, Drew Clements, Tim Boucaut

Kicking the dew off (yes there was plenty early) and back at Park 9 the D grade were again able produce a good win against Plympton. With our regular number of changes (14 this week) the game was a very good contest throughout.

Whilst yet to gain fluency into our gameplay the defence yet again shone. The back 6 this week was led superbly by Will (the blanket) Wood who was an unanimous BOG holding down full back. He was well supported by Charlie Olsson yet again in the pocket and big Alex (Norm) Davidson at CHB in his comeback game. The opposition only managed 2 goals in each of the 1st two quarters and then goalless in the second half.

After a tight 1st half with only a goal between the teams we began to get on top around the ground and in the centre. In the 3rd our entries were too shallow and with the opposition deploying extras back were weren't able to pull away as well as we should. In the last the lads corrected this error, starting hitting the top of the square and were able to kick 5 goals without reply. John Waltham and Harry Bilyk both appreciated this change and ended with 4 goals each.

Back at Park 9 next week we play top of the table and undefeated Flinders Park. Great opportunity to again push ourselves that bit more and hold our form before the mid-season break.

### E Grade

Round 7	Q1	Q2	Q3	Q4	Tot
PAOC	2.1	4.4	7.7	12.11	83
North Haven	1.1	3.2	7.6	10.8	68

**Goal Kickers:** Brad Weidenhofer 3, Scot Tyndall 3, Logan Mahadeva 2, Brayden Cordingley 2, Will Farminer 1, Tom Vasileff 1

**Best Players:** Alfie Brown, Tom Prest, Will Farminer, Brayden Cordingley, Will Heaslip

Plenty to learn from this fixture including the fact that “car trouble” does not in fact mean you have trouble with your car. Instead it relates to the inability of a player to clear out anyone they may have taken home the night before in a timely manner.

Onto the game though, and what a classic it was on a sunshine baked Park 9. Logan Mahadeva, who is fast gaining cult status at the Club, kicked the sealer to ensure a memorable victory.

Much blame for not putting the game away sooner was placed on the twin towers of Tyndall and Weidenhofer. They made it very clear post game that if we kick it to them they will catch it but they have no intention of putting on any forward pressure. Tyndall also plans to kick less goals that Weed each week to ensure he gets the second best defender come finals. His return of 3.7 kept him on track.

Alfie Brown has made it very clear to his team mates he will be playing loose in defence for the remainder of the year in search of the Best and Fairest. His comment post game that “team players don’t win Best and Fairest Awards” was a true reflection of where his game is at currently.
