**Best Players:** Josh Hall, Ryan Tromans, Tom Barnes, Brendan Papps, Cameron Graetz, Will Hugo

It has been a solid 6 weeks for the A grade and it showed in the first half Saturday. While we managed to outscore Broadview in the first half we lacked the intensity, speed of movement and execution that we have displayed in previous weeks. Our transition was poor, allowing the game to be somewhat of a free-flowing shootout.

We reset at half time and to the boys credit our accountability improved and we were able to slow Broadview down and begin to capitalise on the scoreboard. The midfield lifted their work rate and the forwards provided some spark to allow us to run away with a comfortable victory at the end of the day.

It was pleasing to see our midfield maintain their solid form of recent weeks with Papps, Hugo, Dalwood, Tromans, Gazzola and Hall all contributing. Our defence – with 3 late inclusions – were solid as always limiting Broadview to just 3 second half goals and our forwards were all dangerous at times with an even spread of goal kickers.

We have one game remaining before finals and a few aspects of our game to work on this week.

## B Grade

Round 17	Q1	Q2	Q3	Q4	Tot
PAOC	4.4	8.8	11.19	17.21	123
Broadview	1.0	1.0	1.0	2.3	15

**Goal Kickers:** Daniel Fry 7, Josh Morrell 2, George Burford 2, Aaron Manning 2, Josh Graetz 1, Nick Blanch 1, James Prest 1, George Choimes 1

**Best Players:** Matt Morrell, Ben Young, Jack Ramsey, Daniel Fry, Nick Rees

Having all but sewn up top spot with a win over second placed Modbury last week, it was important that we came out strongly and played to our standard as the leaders of the competition. We had an opportunity with two rounds to play before finals to raise the bar with consistency and intensity irrespective of our opponent.

Playing 8th place Broadview at the weekend on the heavy track at Park 9, we needed to prove that we haven't taken the foot off the gas at all. A slow first ten minutes was followed up by a few quick goals due to our superior skill and ball movement. Their push to get numbers back to hopefully stem the flow of goals was obvious so it was important that our entries became smarter. This was theme really for the rest of the day. The enthusiasm to get forward and get on the goal kicking sheet when we were up by plenty was going to be an issue particularly in the second half. I thought our backs and mids in particular did a good job at sticking to structures and not letting this happen. It'll be a big theme this week also when we play lowly Gepps Cross.

The middle of the ground was led well by a good four quarters from Matt Morrell, Ben Young and Jack Ramsay. Daniel Fry did most of the damage on the scoreboard finishing with 7 goals and the Nick Rees enjoyed his 100th game milestone with a big win and was effective across half back for the whole game. The back 6 were great again, keeping Broadview to only 2 goals but sticking to structure and being really competitive throughout.

### C Grade

Round 18	Q1	Q2	Q3	Q4	Tot
PAOC	3.1	9.1	12.1	16.4	100
Modbury	3.2	5.4	7.6	9.7	61

**Goal Kickers:** Nick Brooks 6, Tom Simpson 5, Sam Johnston 2, Henry Basedow 2, Lucas Lovell 1

**Best Players:** Sam Johnston, Nate Siebel, Henry Basedow, Scott Snodgrass, Will Thredgold, Tom Simpson

With one game remaining before the finals, the C-grade were determined to string together a consistent four quarter performance heading into a qualifying final next week. Sixth place Modbury, unable to make finals gave us a really competitive hit out and made us work hard for our 39 point victory.

Our start was scrappy as we struggled to adapt to the heavy conditions, with Modbury winning the first quarter. However as the second quarter went on we hit our straps - our skills and composure improved, and we gave our key forwards - Nick Brooks and Tom Simpson the opportunity to hit the scoreboard, which they were able to do, helping us take a 21 point lead into the long break.

A few positional changes - Justin Bonney to the half back flank, Tom Simpson to centre half forward and skipper Alex Butenko into the guts made for a better second half of footy. We were stronger around the ball, generated some run off half back and our forwards reaped the

benefits. Simmo worked hard across half forward, ending up with five goals, to complement Nick Brooks' six. Nursing a couple of broken fingers, the skipper's leadership was really noticeable in the second half. Scott Snodgrass and Nate Siebel were their reliable selves, while Henry Basedow and Will Thredgold were dangerous on the wing, covering plenty of territory and using the ball well. Sam Johnston was our best, outstanding in the midfield, and later up forward. Johnno is very coachable, he listens to and follows instructions, works hard defensively chasing and tackling, and has a good sense of where the goals are.

A solid win, but still lacking a consistent four quarter effort which we are confident will come next Saturday against Unley. It's been another good year for the C-grade, but the real work starts now.

### D Grade

Round 17	Q1	Q2	Q3	Q4	Tot
PAOC	0.0	3.2	5.4	8.7	55
Adelaide University	1.1	1.2	2.3	3.4	22

**Goal Kickers:** Jack Dent 3, Matt Faull 3, Ben Glover 1, Josh Palmer 1

**Best Players:** Isaac Taylor, Hugh Perks, Ben Glover, Matt Faull, Carl Dorsch, Josh Palmer

Coming into the major round a few new structures with the changing personnel were implemented. This took some time to convert to scoring opportunities and as a result the D grade had a slow start on the scoreboard. As the game progressed we improved our movement forward, were able to get more outside run and were able to secure a comfortable win against a strong Uni team.

Yet again our back 6 won their individual position and as a team either denied the opposition forward entry or ensured it was under pressure. Hugh Perks regularly cut off attacks, Josh Palmer in a new position on back flank provided rebound, Ben Glover, Charlie Olsson (despite fracturing his hand in the first) and Will Wood all dominated their positions.

In the heavy conditions not ideally suited to us we again were hard at the contest and applied pressure on the opposition with 2<sup>nd</sup> and 3<sup>rd</sup> efforts. What was very pleasing was the support running that started to show as the game progressed, this is what we need to be a contender come finals. The midfield and rucks competed all game and the form of Isaac Taylor coming back into the team was a highlight.

Up forward Jack Dent and Matt Faull finished with 3 each, Matt playing as a small defensive forward managed to not only keep the ball in the forwards but hit the scoreboard.

Final minor round game next week then finals, we expect to finish 2<sup>nd</sup> and will come up against Pembroke in the first final.

### E Grade

Round 18	Q1	Q2	Q3	Q4	Tot
PAOC	5.2	10.5	18.8	29.8	182
Modbury	1.0	1.0	1.0	1.0	6

**Goal Kickers:** Jon Temme 6, Will Farminer 5, Brad Weidenhofer 3, Mark Phin 3, Tom Prest 3, Vinnie Laurendi 2, Alfie Brown 2, Peter Walsh 2, John Coop 1, George Waterhouse 1, Daniel Ajak 1

**Best Players:** Alfie Brown, Tom Prest, Braydon Cordingley, Will Farminer, Vinnie Laurendi

Not a lot to report in a very one sided contest at our new home away from home Park 10. The E Grade warmed up for finals with a 176 point win over Modbury with accurate last quarter kicking the story of the day.

Needing to catch up percentage of top of the table Old Ignatians the boys almost got the job done kicking 11.0 in the last quarter. The 18 man forward lined clearly worked a lot better this week with players not spoiling each other in the hunt for goals.

We play SMOSH West Lakes next week after finishing the minor round in 2<sup>nd</sup> place. Tyndall, Newbery and Pemberton will be back in time from the snow and fresh for finals after being extremely selfish and disappearing one week before finals!
