Best Players: James Dalwood, Ed Boyd, Tom Brinsley, Drew Clayfield, Adam Perryman

The A grade travelled to Kingswood Oval to take on Unley in the 2nd Semi Final. With a grand final berth and promotion to Division 1 as the prize the stakes were high.

The first half was an even battle but Unley's efficiency across the ground, including in front of goal, gave them the advantage at half time. Our contested work was good, the effort was strong however our execution was poor. Too often Unley turned our skill errors into scoring opportunities as their ball movement was superior to ours.

Early in the third quarter our intent lifted. The effort across the field improved but like the first half we struggled to translate this on the scoreboard. We defended well but we limited ourselves offensively – something we must amend this week. Despite this Unley began to miss some shots and kept us in the game, down by 4 goals at the last break we had a sniff of stealing the victory. Unfortunately it was Unley who took the ascendancy in the final quarter, kicking the first couple of goals to end the contest.

There were plenty of lessons to take out of the loss. We must apply some small changes this week leading up to the Preliminary Final against Gaza. We're looking forward to bouncing back with as much support as possible.

Congratulations to all other grades booking their place in their respective Grand Finals. Best of luck to the C & E grades this week.

Semi Final 2	Q1	Q2	Q3	Q4	Tot
PAOC	3.4	5.6	8.7	11.8	74
Modbury	2.1	4.3	7.4	8.5	53

Goal Kickers: Daniel Fry 6, James Prest 2, Max Burford 1, Oliver Clarke 1, George Choimes 1

Best Players: Cameron Pritchard, Oliver Clarke, Jack Latchford, Nick Rees, Daniel Fry, Luke Bartlett

After finishing top and deserving the week off, the feel pre game and warm up suggested we were definitely ready to go. Modbury came with an approach looking to stem our offence particularly in the middle of the ground. We looked to outwork them through effort and rotations until they tired which to their credit, wasn't easy. We were a little fumbly early and took a bit of time to adjust to finals pace and pressure. Whilst we looked to take the game on and use our speed, our execution by foot was only average and turned it over a bit. We eventually looked to control the tempo and waited for decent opportunities to move the ball forward and things got back on our terms.

Cam Pritchard worked hard for all his kicks in the middle of the ground and Ollie Clarke's clean hands were key as always and was a great lead up target. Jack Latchford and Nick Rees were the highlights at the back and Daniel Fry was a great target forward and got right on top of his opponent with 6 goals.

Another week off and an important week to get touch and be as fit as possible heading into the GF. We got a recent reminder of finals pressure and the focus and effort required to compete strongly.

The D Grade travelled to Flinders Park to take on the minor premiers last week, with a chance to secure a spot in the Grand Final.

An amazing day for our finals campaign to kick off, the boys were ready to play footy. As we expected, Flinders Park were going to be on the ball early. Kicking into a slight breeze, our rucks & mids worked extremely well in winning clearances & hitting up our forwards.

Our second quarter of football was our best quarter of the season! The lads used their spread and running game to perfection, the ball given to the player in the best position. The forwards created option after option and moved well as a unit and our backs were solid as always beating their opponents and helping each other, hunting in packs.

This held us in good stead at the half time interval with a three goal lead. Stand out was Tom Simpson with 5 goals to his name at the break.

With some wise words and a game plan to match at the break, our backline held steady in the third holding Flinders Park to a tight three goal quarter.

Going into the last, with the breeze at our backs, the boys were determined to finish the game off and they did!! With a five goal to one quarter, the boys managed to find the extra space around the ground and strangle Flinders Park out the match.

Very proud of a four quarter, complete team effort that was deserving of a Grand Final birth!!!

Good luck to the C & E Grade teams this week in Grand Finals and to the A's in their Prelim!!

Preliminary Final	Q1	Q2	Q3	Q4	Tot
PAOC	3.1	3.5	4.6	5.7	37
Old Ignatians	0.1	2.4	3.8	3.11	29

Goal Kickers: Scot Tyndall 2, Will Farminer 2, John Waltham 1

Best Players: Tom Prest, Jon Temme, Matt Davis, Hugh Perks, Brad Weidenhofer

Preliminary Final day greeted us with not a cloud in the sky and \$5 parking in the Athelstone car park! Once we had overcome the outrageous prices to enter the oval the side set about preparing for the game against Old Ignatians.

We started the game strongly, kicking the first 3 goals of the game and taking control by quarter time. This early good work was quickly undone in the second quarter as the Iggies side kicked two spectacular goals that got them back into the game.

The game became an arm wrestle in the third quarter with Iggies hitting the lead for the first time in the game. The side responded well to this pressure though to close out the quarter 4 points in front.

Both teams had opportunities in the last to take the game however it was left to Will Farminer to ice the game with a crucial goal 5 minutes from the end. This proved to be the only goal of the last quarter as Iggies could not pass the back 6.

Second chance against SMOSH next week after they got us by 5 points in the first final. That game was a massive wake up call for the side and we will look to make up for that result on Saturday!

On a side note, congratulations to Tom Prest who took out the Division 2 Best and Fairest Medal last Wednesday with 21 votes. Tom had 5 best on grounds in a row between rounds 7-11 and then concluded the season with second best on ground in the final 3 games. There was shock in the room when the Round 18 result was read out with Alfie Brown awarded the 3 votes.

Tom commented after receiving the medal how much the Round 18 vote allocation devalues the medal as it shows they give the votes out to anyone.
