COACH'S REPORT:

After a very disappointing performance last week against Payneham, we needed to reset and rechannel our focus back into what we can control and not worry about the opposition. This was going to be a danger game for us because Adelaide Uni have been in very good form - claiming some big scalps over the past 4 weeks.

For once, I was happy to be wrong! Our team defensive structures were fantastic and the game was played in our half for 90% of the first quarter, and although we did not capitalise on our many opportunities (3 goals & 10 behinds) the game was all but over at the first break.

Our back 6 were rock solid, our midfield lead by Cameron Graetz and Josh Hall dominated and did super jobs on Uni's 2 best players (Paynter brothers) and our forward structure looked seriously dangerous - especially when Wade Thompson decided to put on a clinic. When we get our structures right and play the style of football we demand, the results take care of themselves.

Our next 4 weeks leading up to the bye will give us a huge launching pad towards the finals. Whilst we aim to win every game, this next month is more about putting some serious work load into our training program and having a look at certain players in different roles. We have placed ourselves in a very strong position and now we need to take advantage of it.

Bring on Salisbury North this week on the PAC Front Oval.

COACH'S REPORT:

With the earlier than normal start time on Saturday at a ground foreign to us, it was important to maintain a normal, organised environment pre-game. The contest itself was always going to be a challenge - in particular given that, as at Saturday morning, 'the Blacks' had the same win/loss ratio as us and had improved greatly since our round one encounter with them.

The first half was hotly contested with neither side able to put on any decent scoreboard pressure. Despite some good, physical effort from the Reds, our structure both at and around stoppages was weak and the Blacks found space on their goal side way too easily.

After the break however, we improved this aspect of our game and were able to totally control the game - and the scoreboard reflected this.

Lewis Crawford and Chris Hannemann lifted their output in a big way and many others followed suit. We were clean and first to the ball and, when combined with fast and direct ball use, the forward line was able to create multiple 'one-on-one' plays and the Blacks' backline were battling.

A lot of confidence was gained from the game, particularly in the third quarter. It was the brand of football for which the playing group should be striving as a standard each and every week.

C GRADE (DIVISION 7) - ROUND 12

ROUND 12	Q1	Q2	Q3	Q4
PAOC	1.1 – 7	4.3 – 27	9.5 – 59	11.9 – 75
ADELAIDE UNIVERSITY	3.1 – 19	4.3 – 27	6.6 – 42	8.9 – 57

GOAL KICKERS: Charlie Comerford and Ben Siebels - 3 each; Harry Barnes - 2; Will Daniel, Josh Sarah-Katnich and Jack Skeer - 1 each

BEST PLAYERS: Ben Siebels, Nick Ramsey, Mick Phillips, Harry Barnes, Henry Treloar and Alex Butenko

COACH'S REPORT:

There were no ducks on 'Pond 9' last week - just Reds and Blacks. Uni opened the game up very strongly - controlling the midfield play and many field positions and, as a result, had 3 goals on the scoreboard before we knew what was going on. After some excellent ball movement we managed to get one back late in the 1st quarter to head into the huddle only 12 points down.

Slowly, slowly we started to get to the ball first, and this enabled us to play more of our style of football - in particular switching the play and keeping control of the tempo of play. 3 goals to us and only 1 goal to Uni for the 2nd quarter saw the scores squared away at half time.

The move that gave us the greatest impact on the game during the 2nd quarter was Harry Barnes into the ruck and changing forward. Harry really enjoyed the freedom away from full back - starting many of our forward entries, plus kicking 2 crucial goals when resting up forward.

We refocused during the long break on what was required to win the game and, by the end of the 3rd quarter, we had the game under control. Heading into the final quarter we had a comfortable lead of 3 goals.

With 2 goals each in the final quarter we finished 18 point winners in a high quality 'D7' match.

ROUND 11	Q1	Q2	Q3	Q4
PAOC	1.1 – 7	1.3 – 9	4.3 – 27	4.8 – 32
ADELAIDE UNIVERSITY	2.6 – 18	6.8 – 44	7.9 – 51	7.12 – 54

GOAL KICKERS: Jack Dent and Tim Sanders - 2 each

BEST PLAYERS: Harry Murdoch, Tom Vasileff, Cameron Burnett, Nick Sanders, Michael Siciliano and Henry Gregurke

COACH'S REPORT:

Playing the late game in the twilight at Uni's main oval, unfortunately the D grade were not able to get the win.

Uni settled better than the Reds and dominated the first quarter though, luckily, they were inaccurate - but we were not running hard enough and, coming from Park 15 last week, we found that the extra size of the oval left us too short in our forward entries.

'D' GRADE COACH'S REPORT, CONTINUED:

The 2nd quarter saw us change a few things - and even up the contest - but we were not able to convert that onto the scoreboard.

The 3rd quarter saw us shuffle the line-up again and, with a solid back 6 that squared the quarter and provided some added rebound, we got back into the game.

In the last quarter we had significant periods where we dominated play but a lack of quality in the final disposal meant we were again unable to convert that to the scoreboard - as a result of which we couldn't close up the gap any further.

It was a frustrating day for us but a lot of positives emanated in the way we responded. Hopefully we can get some stability soon which will help in the latter part of the season.

It was great to have the 4 Sanders brothers taking the field together for what is believed to be only the 2nd ever time.

BEST PLAYERS: Phil Cleggett, Henry Sanders, Scott Tyndall, Sam Sobels, James Ma and Brad Weidenhofer

COACH'S REPORT:

Last Saturday's was a win well worth celebrating. It was a game of 2 halves. We were sloppy in the first half and allowed Uni back into the game. However, the Reds 'switched on' after half time and recorded a very good win. It was even more rewarding considering the opposition had some quality players. We had to hold our nerve and play close, hard & disciplined football.

However, the Reds 'switched on' after half time and recorded a very good win. It was even more rewarding considering the opposition had some quality players. We had to hold our nerve and play close, hard & disciplined football.

Younger players gained confidence by playing in a close one where the pressure was on to keep our nerve and stay in the game. In that respect, well done to James Ma, Henry Sanders & Sam Sobels. We had a cameo appearance by Justin 'Trimmy' Trim who, unfortunately, injured his shoulder.

For mine, the better players on the day were Phil Cleggett, Henry Sanders, James Ma, Scott Tyndall, Sam Sobels, Scott Tyndall & Brad Weidenhofer. Well done to Scott Tyndall for his 4 goals and Phil Cleggett for his highly valued 2.

F GRADE (DIVISION C5) - ROUND 12

ROUND 12	Q1	Q2	Q3	Q4
PAOC	1.1 – 7	1.4 – 10	2.6 – 18	4.6 – 30

GOAL KICKERS: Josh Clarke 2; Tom Ricci and Will Hudson - 1 each

BEST PLAYERS: Will Van Dissel, James Hill, Will Hudson, Michael Rodda, Haydn Lloyd and Arthur Rousell

ASSISTANT COACH'S REPORT:

It was another tough week for 'the FReds' against the Uni Blacks' "Scum" team.

After a positive start with a sneaky goal from Tom Ricci it looked like the FReds were away when Jack Brabham had a sensational goal overlooked - by our own goal umpire! (thanks Gareth!)

The game was a lot closer than the scoreboard suggested with the FReds fighting hard in the contest - only to be let down by skill errors that proved costly.

While not going the FReds' way, there were some truly classic moments including:

- ✓ 3 solid 'hip-and-shoulders' in short procession from Josh Clark that left a litany of Blacks players sprawled on the deck wondering what B-Double truck had just hit them; and
- ✓ a magnificently executed 'pirouette over the should' handpass from Ryan Ramsey, deep in the right pocket, to Will Hudson who, from even deeper in the right forward pocket, slammed a right foot check-side through the big sticks from 40 metres out!

There were solid performances from the backlines, under much pressure, led by Haydn Lloyd, Matty Davis and Charlie Olssen with the invaluable support of Arthur Rousell (who brought his rugby-esque approach to the game) and against a strong opposition line-up the midfield worked hard all day with a 'worst' on ground performance by Will Van Dissel - closely followed by James Hill, Will Hudson and Michael Rodda.
