### A Grade

#### Coaches Report

The A Grade took on Brighton on the weekend in challenging conditions. We knew it was going to be a tough game with Brighton putting in some good performances prior to our match as well as fighting to get out of relegation. We started the game slowly, kicking with a slight breeze we were only able to put 2 goals on the scoreboard in the first quarter. In the second quarter we lost forward shape kicking into the breeze, we also were not great at the fundamentals of being clean with our hands on the ground and around stoppage which left us trailing by 2 points at the main break. After half time we were again very slow to get going and Brighton were able to open up a lead with us letting the ball out the back of contests too easily and missing too many tackles. We ended up going down by 5 goals which was a very disappointing result and effort. Inconsistency is our biggest issue at this stage of the season and something we need to address and fix immediately if we are looking to play finals this season.

- Craig Pitt

**Best:** Will Schmidt, Archie Perks, Thomas Searles, Jack Dundon, Tom Sumner

**Goals:** Brazel 2, McNamara, T Searles

### B Grade

#### Coaches Report

The B grade took on Brighton away with 9 changes to the team which included 2 B grade debutants in Hugh Caldwell & Harry Russell on a wet muddy ground. Our side only had 8 players that played against Brighton in round 2 and while they were bottom of the ladder we expected them to be competitive. We kicked with a slight breeze in the 1st qtr and while we had 6 scoring shots to their 1 in the first qtr we had only scored 1 goal 5 points due to some poor goal kicking and hadn't put them under any scoreboard pressure and they were beating us at the contest. We were not playing the conditions very well and our intensity, contest and stoppage work was below them. We were also giving away some silly free kicks that resulted in 2 of their 2nd qtr goals and at halftime we went in down by 2 points and had a game on our hands. The 3rd qtr continued the arm wrestle in poor conditions with both sides scoring 1 goal each for the qtr and we were down by 2 points at 3 qtr time and having to win the game into the slight wind. We swung a few magnets around at the 3 qtr time break to find some more outside influence and stoppage improvement. Chris Short played the whole last qtr in the ruck and was giving us some good hit outs to advantage, Trent McCauley & Joe Howard kept competing around stoppages and Jock Piper and Josh Fedele gave us great rebound, run and carry from halfback in the last qtr and were crucial in us creating many turnovers in this qtr. The last qtr wasn't great football but all 21 in a Reds jumper dug deep and played a tough resilient qtr in which we kept them scoreless and we were able to score 3 points to win the game by 1 point. With under a minute to go the game was all tied up and with composure we moved the ball down the ground with possession short kicks and got the ball in Jock Piper's hands for a mark 40 metres out. We had the ball in our best kicker's hands and while the ball was heavy and muddy we had the best chance of scoring and winning the game with Jock kicking for goal. He didn't let us down and with 5 seconds to go scored a touched behind (IT WAS A GOAL!) and the siren blew as Brighton was kicking out and we had won an ugly game. We so many players in this team new to B grade football is was a great win and one our Coaching group was very proud of. Hugh Caldwell kicked 2 of our 3 goals but more goal kicking is needed this week after kicking 3 goals 11 points. We now have won 6 lost 5 and sit 6th on the ladder 1 game behind 4th place and look forward to playing at the pristine Park 9 this week against Broadview.

- Trent Bromley

**Best:** Trent McCauley, Joshua Fedele, Jock Piper, Joe Howard, Hugh Caldwell

**Goals:** Caldwell 2, Fedele

### C Grade

#### Coaches Report

Given the huge changes across the club this week we had a new look C grade on Saturday. 3 boys from the school came to help out with numbers & despite it probably not being the greatest introduction to seniors football they all did a fantastic job. Brighton fielded 15 so we made sure we evened that contest up & matched the 15 on ground. In horrible conditions we managed to score 20.21 to 0.0. Not something we probably need to pay too much attention too, but nice to meet a few future old reds from the school!

- Tom Brinsley

**Best:** Henry Goold, Henry Pearce, Edward Dolling, Ryan Tromans, Simon Potts

**Goals:** Dalwood 7, Bartlett 4, Tromans 2, Harvey, Hudson, Pearce, Catt, Choimes, Goold, O'Callaghan

### D Grade

#### Coaches Report

In our first wet weather game for the season, we took on Adelaide Uni at Park 9. It was an ok start from us in the first quarter, only thing we could have done better was our goal kicking. Similar story in the second as we had several more inside 50 and shots on goal but only lead by 5 points at half time. Second half cometh the moment cometh the man, we are privileged to have the ageless Tim 'Baz' Sanders in our team, he had the ball on a string, taking contested marks, laying tackles, and doing as he pleased playing back in the middle of the ground. We Kicked away to be 19 points up at 3QTR, the last quarter wasn't a great spectacle and the scoreboard flatters Uni as they kicked a few late goals in the last, but the game was dead & buried. Lastly shout out to Jake Heuzenroder who played his best game for the year in the ruck.

- Max Clarke

**Best:** Heuzenroeder, Matthew Lowe, Jesse Fyfe, Max Clarke

**Goals:** Fyfe 3, Escott, West, Clarke, Macmahon

### E Grade

#### Coaches Report

After suffering a 64 point loss to Port Districts in Round 2, the side were set a challenge to show how they have improved and secure their position in the top 5. Given the shortage of players across the lower grades, 4 of our players doubled up with D grade and E grade duties, Francesca, Hamood, Harvey and West. We started the game well and adapted to the wet conditions better with Jasper Stentiford giving our midfield first use of ball with his dominant rucking, to take a 2 goal lead at the first break. We continued that form in the second quarter, and our defence were repelling attacks confidently with Murch taking plenty of strong marks across the half back line. Park 9 was in great condition given the volume of rain in the previous 24 hours and our players were moving the ball really well from defence into attack. Chester Ellery played his first game for us this year and proved to be a great focal point up forward with decisive leads and his strong defensive work. We came out strongly in the 3rd quarter and dominated play with 3 goals to none. Our movement out of the centre with Goldsworthy, Hamood and West getting first hands on the ball made all the difference. The defence combined really well and continued to provide plenty of run and linking up with our wingers with Oscar Sanders showing his best form for the year. We ran out of legs late in the game conceding a few goals to the opposition but the game was well and truly under our control. The 30 point win was a 94 point turnaround from our previous loss and this shows how much this young group has improved and is combining well as a team. Our biggest challenge of the year is ahead of us this week against the top side and we look forward to the next challenge.

- Andrew Buttery

**Best:** Chester Ellery, Charlie Goldsworthy, Jasper Stentiford, Oscar Sanders, Jake Hamood

**Goals:** Ellery 4, N Harvey 2, Siciliano, Hamood, O Sanders
