A Grade

Coaches Report

The A Grade came up against SHOC following our first bye for the season. After gathering some good momentum with 2 wins before the bye we went in confident we could compete with the second placed team in the competition. We started very poorly being second to the ball and no real hunger with our tackling pressure. SHOC we able to move the ball with ease and connect through the middle of the ground due to our lack of workrate and willingness to defend. For moments in the second and start of the 3rd quarter we showed a bit more competitiveness but overall it was a very poor display and one I am not proud of. We will continue to work hard on our defensive and offensive game this week to ensure we do not follow up in similar fashion against SPOC this weekend.

- Craig Pitt

Best: Lachlan McNamara, Thomas Searles, Benjamin Siebels, Ethan Bald

Goals: Brazel, Jolly, Trenorden, Dundon

B Grade

Coaches Report

The B grade took on top placed SHOC on Saturday with another 8 changes to the team which included Hamish Case (Class of 2023) playing his first B grade game. We went into the game with a focus on man on man defence and taking away the way they like to play and for 78 minutes we executed very well. We won the 1st Qtr, broke even in the second quarter into the slight wind and went in at halftime up by a goal after playing a very good first half. Our intensity, contest, effort and groundballs was fantastic and our 150 game player in Chris Short was giving us a target up forward. We unfortunately lost 2 guys to injury by halfway through the 3rd Qtr and lost some concentration for 10 minutes and credit to SHOC they were able to score 4 quick goals into the wind which had them up by 16 points at 3Qtr time with us due to go into the 1-2 goal wind in the last Qtr. Credit to the very young side who dug deep and played a fantastic last qtr outscoring them and keeping them goalless but we just couldn't quite find a couple of good forward entries and goals to win the game. I thought it was an admirable loss full of effort, pressure, resilience and very good defending by a very young side against the Top team.

- Trent Bromley

Best: Mitchell Dean, Josh Tamke, Nicolas Howe, Trent McCauley, Jock Piper

Goals: Short 3, Mantovan, Howard, Perks, Pontifex

C Grade

Coaches Report

The C grade took on top placed SHOC who were also 8-0 coming to the halfway point of the year. The GF rematch from last year looked poised to be a close one & didnt disappoint despite us opening up a wide margin early. Intensity & hunger for a contest shone through in the first half for our boys as we opened up a 8 goal lead just before the half time break. What was an incredible display of discipline & ball movement in the first half sadly faded in the second half giving SHOC ascendancy around the contest & really all over the ground. Was probably a good reminder that against them, unless we are completely committed they certainly have the skill & desire to beat us up around the ground. Coming away 3 goal winners & going into the halfway point at 9-0 is no mean feat. Very proud of the boys work ethic so far, but like always we have to get better because we know they will be when we come up against them at the pointy end of the year again.

- Tom Brinsley

Best: Ryan Schwarz, Angus Catt, William Hudson, Miki Drogemuller, Max Burford

Goals: Catt 5, Bartlett 3, Burford, Dalwood

D Grade

Coaches Report

The D Grade were back at home against an improved Marion Rams with several new faces from the E grade stepping up to play. It was tight and very competitive contest in the first half with both teams trading goals, unfortunately we lost two of our midfield generals in Fincher & Palser in the first half to injury. I asked for someone to stand up in the second half and it was three blokes who were all playing their first games of D grade for the year that did, Erbe & Williams coming up from the E grade took control of the midfield, winning stoppages & laying tackle after tackle. The other player to step up was Wibs Clarke after a sabbatical travelling around Asia slotted back in defense and saved us numerous times either intercepting the play or winning the ball on the ground. To top the day off Tim 'Baz' Sanders kicked the winning goal with only a minute on the clock.

- Max Clarke

Best: Joseph Erbe, Willoughby Clarke, Matthew Faull, James Williams, Lachie Day

Goals: H Searles 2, Mallick 2, Fyfe 2, Harvey, McEwen
