We couldn't have asked for better conditions at Walkerville Oval to kick off the season. After a long and solid preseason the anticipation to play a game for competition points was high. We welcomed 4 new players to the team with Gavin Hughes, Cam Pritchard, Nelson Ellis and Matt Morrell debuting for the ICub.

We jumped out of the blocks quickly and kicked the first 3 goals of the game. Our effort to work back made it difficult for Walkerville to move the ball with any fluency and we efficiently countered, providing our forwards with plenty of opportunities to maintain the 3 goal buffer at quarter time.

The opposition dropped numbers back and clogged our forward line in the second term. We began to increase our speed of ball movement and were able to kick goals late in the term to open up a commanding lead at the main break.

We were able to run the game out strongly and kick further away in the last quarter. In the end the final score line was irrelevant. More pleasing was the effort all players put in to contribute to the outcome. Our defence was stingy, regularly winning their contest and providing great rebound all day. Our mids ran hard both ways, halting the opposition transition then putting together some great passages of play. The work rate of our forward line was impressive. JR was the beneficiary this week but the work of all forwards ensured we kicked a winning score.

We now turn to the newly promoted Unley this week. This will prove a challenge early in the season, we're looking forward to the opportunity.

Round 1	Q1	Q2	Q3	Q4	Tot
PAOC	5.3	7.7	12.9	16.10	106
Walkerville	1.1	3.2	5.3	6.5	41

**Goal Kickers:** Max Burford 4, Tom Ashby 3, Ned Holmes 2, James Prest 2, Max Clarke 1, Kieran Artis 1, Lachie McNamara 1, Josh Morrell 1, George Choimes 1

**Best Players:** Tom Ashby, Max Burford, Chris Hannemann, James Dalwood, Jack Ramsey

With a good mix of experience and youth, we tackled the perennially competitive Walkerville 2's. There is no doubting the positivity and high expectations around the club at the moment and the B grade is no different. This is why it was important to get off to a good start and run some form and fitness into some guys that will undoubtedly be supplementing the A grade throughout the year.

The game was seemingly always under control despite a couple of periods where Walkerville managed to kick consecutive goals and get themselves back in the contest. Carrying in a few guys with limited preseason and the heat may have contributed to this a little but sustained focus and intensity is definitely an area to improve on.

The forward line was damaging most of the day with Tom Ashby and Max Burford making the most of their possessions. Chris Hannemann and Jack Ramsay pushed themselves and did a fair bit of work in the middle. Dags got his hand above the other ruckman with ease to give us first use and got some ball around the ground too.

Overall a pleasing result for the team and good to start the season with a 'W'.

Welcome to season 2015. After taking home the silver ware in exciting fashion in 2014, there has been plenty of anticipation to start the year strongly. The guys were fired up for the season opener against our old rivals in the Golden Grove Kookaburras at Park 9. The ground was in fantastic condition and it was a promising start to the year with 33 shots on the NEW goals which are a great addition to the ground.

The hotter conditions on Saturday were always going to favour our fitter and leaner boys against a Golden Grove side that has traditionally always been physically strong albeit a bit on the heavy side. The Kookaburras had plenty of experienced players but in the end, it proved no match to our harder running and higher skill level.

There were many new faces in the D's and it was pleasing to welcome big Will Brennan, Jake Galloway, Sam Johnston, Harry Murdoch, Josh Sarah-Katnich, Scott Snodgrass and school boys Hamish Latchford and Kosta Mavropoulos. It was also a welcome return to Michael 'Pup' Clarke who's had a couple seasons out of the game but still possesses his trademark silky skills and pace.

Both sides where keen to get the game under way and the 1st quarter was hard fought and a little scrappy. Our skills started to settle by the end of the 1st and we hit Golden Grove hard in the second term with 12 shots to 2 at goal. The midfielders and wing rotations started working well and with the forward line left open, Sludgie Bilyk, Weed and Gaz (Skipper again in 2015) were, in typical fashion, making the most of their opportunities to hit the score board and Zacker proved far too mobile for his opponents. The 3<sup>rd</sup> quarter was very impressive for the first game of the year with the boys scoring 6 unanswered goals and taking control of the game. In the 4th term, 5 more goals were added with Golden Grove kicking a couple sneaky ones.

Matty Faull played one of his best games for the Club and was able to consistently move the ball into attack with great efficiency. Harry Murdoch, Whitey, Latchy and Kosta had a plenty of it in the guts and were relentless all day in the heat. It was particularly exciting to see the 2 school boys (Latchy and Kosta) have terrific games and they both picked up many hard fought possessions and will have bright futures at the Club in the coming years.

Will Brennan showed plenty of promise in the ruck and worked tirelessly all game. He was well supported by Tom Gray and both guys were regularly able to tap the ball to the midfielder's advantage.

Parky, Pup Clarke, Duff, Burf and Hally had plenty of dash in the legs and were far too quick for their 'beefier' opponents and it was pleasing to see Burner, Jake Galloway and Sam Johnson start the season with confidence.

As we have come to expect, the D Grade back six defended stoically and then rebounded quickly setting up many opportunities up the ground. It was a new look defensive outfit on Saturday and Woody, Farms, Oli, Colonel, Snoddy and 'Sarah' Josh Sarah-Katnich worked out

their positions quickly and played as a unit. Charlie Olsson played a ripper and new to the Club, Scott Snodgrass, was brilliant on a formidable opponent in Golden Grove's centre half forward who's been their best key forward for many seasons.

All in all, it was a very pleasing 13 goal win to kick off the 2015 season. Let's continue to work hard on the track to give ourselves every opportunity to have another successful year.

### E Grade

Round 1	Q1	Q2	Q3	Q4	Tot
PAOC	2.0	2.3	2.4	5.8	38
Portland	3.7	6.13	14.14	15.17	107

**Goal Kickers:** Scot Tyndall 2, Cameron Lynch 1, Tom Etherton 1, Jacob Leak 1

**Best Players:** Nick Pemberton, Nick Katsaros, Tyson Smith, Alfie Brown, Cameron Lynch

Round 1 and the return of the great David Marsh for his fifth spell as a PAOCFC coach. Sadly it was not the desired result as we were outclassed by a quality Portland side.

It was the Rainman's 150<sup>th</sup> game so it was disappointing we couldn't celebrate the occasion with a win. The Rainman was at his very special best as per usual with many a word spoken but very little understood.

Special mention for the day to the new coaching crew on the sidelines of Marsh, Vidic, Papps and Prest who spent little time focused on tactics and most of the time on working out who was who on the oval. Following a detailed post match review expect big improvements in Round 2 with the likely introduction of player numbers and first names on the whiteboard.
