It was an extremely unusual first quarter for the Reds in that we were under extreme pressure, had very little possession and made some terrible mistakes with ball in hand. Considering that Gepps Cross had 20 inside 50's to our 6 in the first term we were extremely lucky not to be further behind. We began to get our game going in the second quarter through our ability to win the contested possession and move the ball quickly into the forward line. The Graetz brothers, Hugo, Hannemann and Dalwood were battling hard in the midfield and our defence was holding up under pressure thanks to Potts, Perryman, Brinsley and Mosey. The game was tired up at 6 goals each at the long break and we had to contend with only one on the bench in the second half having lost Curyer and Jackman through injury.

The game seesawed for much of the second half with fewer stoppages than usual and missed chances from both teams. The composure shown by our backline was pleasing and the spread of goals from our forwards gave us an advantage as we held on for a 1 point victory. It was encouraging to win a game where we didn't play that well and it gives us good reason to look for improvement in the coming weeks.

The B grade setup our win on Saturday with two 10 minute bursts either side of the quarter time break. Five goals in the last 10 minutes of the 1st quarter and 4 goals in the first 10 minutes of the 2nd quarter put an end to the contest. Through this 20 minute period our work rate and use of the football was exceptional.

As the game went on we used our run and carry to bring everyone into the game. We had strong contributions from all 21 players. Leading by 14 goals at half time it could have been easy to coast to the finish line but to the players' credit they kept applying the pressure to the opposition, conceding just 1 goal in the second half. To allow Gepps Cross only 4 goals for the game was a great defensive effort.

We face a couple of big challenges in the coming fortnight beginning down at West Lakes against last year's premier SMOSH.

Round 6	Q1	Q2	Q3	Q4	Tot
PAOC	3.1	6.4	8.7	10.10	70
Kenilworth	2.5	5.8	8.8	11.8	74

Goal Kickers: Elliot Opie 2, Tom Prest 2, Scot Tyndall 2, Justin Broughton 1, Will Thomas 1, Tom Szumski 1, Adam Balnaves 1

Best Players: Justin Broughton, Elliot Opie, Todd Alexander, Tom Prest, Nick Pemberton

The E grade came up against Kenilworth, away in round 6, putting up a disappointing performance. The bigger, older bodies of Kenilworth went out to a lead in the first quarter and from there on it was an arm wrestle. There were patches of good footy from the reds throughout, but our inconsistency hurt us and we ended up going down by 4 points.

Among our better players were Nick Pemberton running hard all day through the midfield, Justin Broughton, racking up plenty of footy playing in his first game for the club and Toddy Alexander, whose second and third efforts were a real highlight. Tom Prest, also playing his first game for the year, worked hard across half forward and offered us a target all across the ground. Ben Newberry and Tyson Smith were again solid down back, Charlie Comerford and Grundy gave us plenty of ruck wins and Tom Szumski is improving every game up forward. Elliot Opie was again amongst the best, in his last game before a hip operation, he has been a great pick up for the E grade and we wish him good luck with the op and hope to see him again later on in the year.

This week the E grade faces another tough task against Adelaide Lutheran who sit equal with us on 4 wins and are sure to be a real challenge.
