It was a much improved performance from the A grade at Park 9 on the weekend yet it was not enough to get the win against Scotch. Our focus was to respond from last week's poor start and in what was a hard fought contested game the Reds were up and about and our hunger and ball use was solid.

It was never going to be a high scoring match so converting opportunities was always going to be the key and we were unlucky with a few passages of play late in the second half that resulted in minor scores. A lapse at the start of the 3rd term was enough for Scotch to get out to a handy 4 goal lead but the momentum swang back our way with 2 late goals of our own to go into the last term trailing by 13 points.

Our back half was steady throughout the day and provided plenty of run especially in the last term. We were winning plenty of the footy and when our forward line began to get dangerous we scored 3 quick goals to cut the lead to 1 point. In pressing for the win made some skill errors which resulted in 1 last goal to Scotch and a 7 point defeat.

Many positives can be taken out of the loss none more important than the performance of Lewis Crawford who led our midfield clearances.

It was another solid display from the B grade on the weekend despite the unavailability's throughout the Club. Early on the bigger bodies of Scotch gave them the advantage at the stoppages however we were winning the individual contests around the ground. Efficient ball movement allowed us to create a number of scoring opportunities.

It was a good back and forth contest early but our backline was superb. Forward entries for Scotch were continually repudiated through the disciplined defence of Blanch, George Burford and Sanders while Latchford, Pearce and Artis, in his first game back from injury, provided great drive from half back.

At quarter time the midfield was challenged to focus on winning the stoppages. Despite being undersized their will to win the football was ferocious. A dominant second quarter saw us pull away to a commanding lead at half time and we never looked back. We lost a few players to injury in the second half and had to finish the game with 17 men on the field. Despite this we ran the game out well to post a big win.

C Grade

Round 13	Q1	Q2	Q3	Q4	Tot
PAOC	4.1	5.3	7.6	10.9	69
North Haven	2.2	2.2	5.4	5.5	35

Goal Kickers: Harry Collison 4, Jack Zacker 3, Justin Winter 2, Cameron Brealey 1

Best Players: Ben Pearce, Tim Sanders, Jack Ramsey, Jack Tidswell, Harry Collison, Noah Ramsey

In what turned out to be a bit of a strange game down at North Haven we kicked 2 more goals for the match into the wind than we did with it. We also started very poorly in both the first and third terms as we allowed NH to get free and kick 4 of their 5 goals very quickly in these terms.

Once we settled down and started to run to space we gained control and were able to play some very good fast attacking footy. With Harry Collison and young Breals providing plenty of movement and strong marking targets for our midfield to hit up. Both had 2 goals at quarter time.

Our 2nd term was poor as we continued to head to the dead pocket in an effort to find space because NH were playing a couple loose in defence across half back. We must improve our ability to move the ball around this defensive action.

Jack Zacker started the last quarter up forward and in 15 mins had slotted 3 majors getting on the end of some clean movement out of the middle and we ran out comfortable winners by 6 goals.

D Grade

Round 13	Q1	Q2	Q3	Q4	Tot
PAOC	6.3	10.10	14.13	16.18	114
North Haven	2.0	2.0	3.0	3.1	19

Goal Kickers: Cameron Garry 5, Will McPhee 5, Harry Bilyk 2, Matt Favell 2, Dan Stevens 1, Seb Richards 1

Best Players: Charlie Comerford, Cameron Garry, Matt Favell, Seb Richards, Sam Wood, Michael Sanders

Another good win by the D grade. With numbers a bit light this week and travelling down to North Haven our goal was to bank the 2 points and hopefully not add to the injury toll. Both seem to be achieved.

Thanks to the McPhee twins who helped our numbers by playing the first half before their C grade game. Will managed to show that they are not completely identical and that he seems to have the goal sense kicking 5 in his limited game time. Cam Garry, much to the frustration of J-Lo on the sidelines, also added 5 to his goal tally for the season. Charlie Comerford had a day out in the ruck and around the ground continuing his development to be one of the better ruckmen in the Division. Overall we controlled the game and ran well over the ground and while not at our best everyone contributed within the team structures. In the last quarter with J-Lo on the whiteboard Cam Garry found himself at full back and it was good to have everyone experience a different zone and role.

Special thanks to Brad Weidenhofer, Jack Zacker, Cam Garry and Charlie Comerford who put their hands up to double up and assist the C grade in the later game.

E Grade

Round 13	Q1	Q2	Q3	Q4	Tot
PAOC	1.3	1.4	1.4	3.4	22
Pembroke OS	4.4	9.8	15.11	22.13	145

Goal Kickers: Cameron Lynch 1, Leigh Warren 1, Nick Pemberton

Best Players: Leigh Warren, Justin Green, Tyson Smith, Lucas Lovell, Ben Newbery, Nick Pemberton

The E grade came up against a strong Pembroke line up who had thrashed us earlier in the year. With a few new recruits and the opposition having lost its first game of the year the previous week, hopes were high.

Right from the first bounce it was clear that Pembroke were too good on the day. Spurred on by plenty of paraphernalia celebrating Alfie Browns 50th game, the boys put in their all, but were no match for Pembroke's precision skills and consistency throughout all 25 of their players.

Our better players included Lucas Lovell providing run through the middle and Benny Gazzola with plenty of intercept marks, playing behind the ball, both of whom had dropped down from higher grades. Regular fill-ins Leigh Warren and Justin Green also played well throughout while the regular contributors of Tyson Smith and Nick Pemberton were solid as always.

Thanks go to many ex-players who were pulled out of retirement to help us field a team this week. Heito managed to convince David Richards, Marcus Bernardi and Andrew Warren out of retirement, while Pat Sadlier joined the growing list of football debutants in the E grade.

The E grade play CBC away this week, looking forward to some regulars coming back in the next few weeks. Plenty of improvement is needed if we are to be any match for the top teams come finals time.
