The annual past players day evokes a sense of responsibility to perform well in front of the "Red Men" that have gone before us. This was not lost on the A grade who produced one of our more consistent 4 quarter efforts for the season to take the points against Broadview. Hugo and Perryman were welcomed back into the side as was Jake Pitt who made his debut after coming back from a broken leg.

From the outset we appeared to be switched on creating turnovers and scoring opportunities from our constant pressure. Crawford, Dalwood and the Graetz brothers continued their good form in the middle and the run from half back from Tromans and Wicks which was a pre-game focus was impressive. Jackman and Reed were getting amongst the possessions as we had a majority of the play in the second quarter and our forward line looked dangerous. We threatened to blow the game away however we were somewhat wasteful kicking 3.6 and headed into the long break with a handy 4 goal buffer.

The ruthless endeavour and attitude continued into the second half and our defensive pursuits lead by Brinsley, Potts and Hall did not allow Broadview back into the contest. We shared the load with 8 goal kickers Seibel's being the best of them with 4 goal and we finished the day kicking 3.2 and 3.6 in the third and fourth quarters respectively to run out winners by 53 points. This was our greatest winning margin for the season which topped off a fantastic day for the Club.

Best Players: Henry Olsson, Jeremy Pearce, Ryan Winter, Lachie Wilson, Hahns Sullivan, Nick Blanch

A 5 goal to none opening quarter setup the win on Saturday. From quarter time it was a lacklustre performance as a Broadview side playing to keep their finals chances alive threw everything at us. Credit to Broadview as they were first to the footy and used the ball well when they had it. Nevertheless we were able to grind it out and collect the 2 points at the end of the day.

We struggled up forward. Missing our key position players our makeshift tall forwards battled hard but the extra numbers the opposition threw back clogged any space they had to operate in. We were down in the midfield compared to recent weeks however the mids battled on and ran the game out well, lifting their workrate in the last quarter. Wilson and Sullivan had good moments during the game and Olsson was again outstanding all day.

Defensively we were solid, Pearce doing a great job on their key forward while he got help from the other defenders. The bye now comes at a good time giving the squad a chance to freshen up before the final month of the regular season.

Best Players: Justin Bonney, Henry Treloar, Oliver Clarke, Jack Tidswell, Tim Sanders

In typical midwinter condition of slippery mud and blustery winds the C grade took on Old Iggies at Railways Oval. We controlled the opening term with good sharp team work together with strong attack on the footy we generated 6 shots on goal unfortunately only one of these was a major. The second quarter followed the same pattern of play but we attacked the goal front this quarter from a more central position on the field which made goal kicking a little easier. Up by 17 points at the half.

We reset our focus on the things we need to do well as a team to win a game of footy at the long break because in the previous weeks we had been starting the third terms very poorly. This must have worked as it was our best quarter score wise for the match.

Both teams finished the game with plenty of sore and tried lads. A goal each in an even final term.

Best Players: Jack Zacker, Mick Sanders, Will Farminer, Randall Lloyd, Will Wood, Will Thomas

Another solid win by the D grade on Saturday. With a few players out this time of year and playing on a heavy oval the game was more workman like than the usual open skill full game we like to play.

Thanks to Will and Jack McPhee who both came out early again to double up from the C grade as well as Matt Favell, Grant "Aggots/Grundy/the Beard" England and Todd Alexander who came down to also help after their E grade win.

Will "Thumper" Thomas was the standout in the first quarter getting himself into space, collecting possibly a dozen possession at almost 100% efficiency. We let the opposition clog up the game in the 2nd quarter and were only a goal up at the half. In the 3rd and the 4th we slowly regained control and were able to pull clear. Will Farminer played 1st ruck and contributed well around the ground, our defence was solid and provided good rebound led again by Will Wood and the Weed. Randall Lloyd, Jack Zacker and Mick Sanders showed they enjoy the getting in and dirty. Our captain Cam Garry as always led the team by example across half forward.

With the bye this week and hopefully a number of players coming back the team is looking at our final 3 games as an opportunity to settle and get ready for the main game.

Round 14	Q1	Q2	Q3	Q4	Tot

CBCOC	1.5	2.6	4.8	5.11	41

Goal Kickers: John Waltham 7, Lachie Burns 2, Matt Favell 2, Nick Pemberton 1, Alex Bond 1

Best Players: Ben Gazzola, John Waltham, Alex Bond, Matt Favell, Nick Pemberton, Will Heaslip

The E grade came up against CBC, with some handy inclusions of J.Prest, Waltham and handful of D graders, the team looked vastly improved and went on to a comfortable win.

Gazzola took a big step in his comeback from a hamstring injury, moving significantly better than the week before and marking everything in sight. James Prest is also on the comeback trail and was solid rucking in his first game back in quite a while, giving our mids first use throughout. Bondy played his best game for the year, working hard through the midfield, he gives us another handy rotation as he regains form.

A standard morning out for Waltham, he marked everything as usual and managed to bag 7 to take his season tally to 55 goals from only 10 games. Favell created great lateral space on the wing, while Pembo was at his normal ball-winning best through the midfield. Will Heaslip also played some good footy, his run, carry and evasiveness out of the backline set up plenty of forward movements. Michael 'Spud' Rodda managed to take on half of the CBC line up, selling dummies and spinning out of trouble, until he went for one too many and ended up getting caught holding the ball, in the comedic highlight from the day.

Round 15	Q1	Q2	Q3	Q4	Tot
PAOC	3.3	5.3	8.5	12.6	78
Kenilworth	3.4	5.6	7.7	9.10	64

Best Players: John Waltham, Ben Gazzola, Cameron Lynch, Josh Morrell, Nick Pemberton, Mark McGregor

In a hard fought and must win game the E Grade triumphed over Kenilworth at Park 9 in the match of the round (and only game) for Round 15. The side trailed for most of the day with the team slow out of the blocks after most had arrived home in the early hours of the morning following the Old Scholars Dinner.

Our opponents were able to take advantage of this and led right up until three quarter time. It was only a fine performance from John Waltham at full forward and the elite crumbing power of Will Thomas that had kept us in the game until half time.

Coach Rohde gets a special mention from the day. Just before quarter time he sent his runner off to the chicken shop to get an order of chicken and chips in order to see him through his hangover. Then at half time it was noted the rooms were very silent only for the group to realise he had departed the game and we were now without a coach!

The E Grade has always been a side about individual glory rather than team success and for once this was a successful recipe as each player took stock of their own performance and assessed how they could best go about getting a lot of kicks and goals in the second half.

A famous win was achieved and now the side is back in the hunt for a top 3 finish. Congratulations to Scot Tyndall for reaching the 150 game milestone. Most players are reaching peak form at this point of their career. While his form has dropped away on the field Scot continues to be an elite performer off it which ensures selection in the E Grade each week.
