Perfect conditions at Park 9 for our first hit out against SPOC for a few seasons. As a group we were keen to atone for our last quarter effort against Gaza and prepared for a hot contest. The first quarter lived up to expectation as SPOC settled best and were able to gain an early scoreboard advantage. In an improvement on last week, we were able to limit the damage somewhat, refocus on our plans and limit the damage to go in at quarter time with a 2 goal deficit.

The message at quarter time was to lift our defensive effort across the ground and increase our pressure on the opposition. Slowly, as the quarter evolved we were able to stuff SPOC and slow their movement. We also began to move the ball with confidence. The forwards were presenting strongly and provided a strong contest. We turned at the long break in front after a tight first half.

The third quarter saw us further increase our work rate and pressure. A strong focus on tackling resulted in a number of turnovers which we were able to capitalise on. We were dangerous moving forward and miserly in defence. We were able to finish stronger than SPOC kicking away to a comfortable win. We were able to build our effort and pressure as the game developed, pleasing to see us run out the game strongly.

Taking on Saints for the first time in a while, we fronted with a committed, four quarter effort. From the outset we had a high intensity and looked to be driven to not only get the win but to persist later in the game keep building on the margin.

Each line stood up and we had a lot of good contributors. The mids with Winter, Clarke and McNamara were dominant for much of the game and the small forwards showed good energy throughout. Daniel 'Darren' Fry was a huge focal point deep forward finishing with 8 majors. Not unlike the previous week, the backline showed good form and combined defensive action with rebound and carry.

Overall a satisfying win and a standard that we would be comfortable to play at each week.

### C Grade

Round 6	Q1	Q2	Q3	Q4	Tot
PAOC	4.1	8.3	13.5	15.11	101
SMOSH West Lakes	2.0	3.0	3.1	5.1	31

**Goal Kickers:** Nick Brooks 3, Tim Sanders 3, Henry Basedow 2, Tom Simpson 2, Scott Snodgrass 2, Ben Siebels 1, Will Latchford 1, Harry Collison 1

**Best Players:** Nate Siebel, Scott Snodgrass, Henry Treloar, Will Latchford, Ben Siebels, Henry Basedow

The boys were sent out against SMOSH with a very clear and simple game plan to follow. Which was to move the ball quickly, run to space and to play on whenever possible. The match remained very tight until midway through the 2<sup>nd</sup> quarter after this SMOSH failed to keep up with our strong running mid field combine this with our good ball use we were able to build a 5 goal lead by half time.

Our defence led and controlled by Scott Snodgrass was well on top. Our 2 younger defenders in Ferg Willsmore and Josh Sarah-Katnich are picking up the speed of the game and looking more and more comfortable with each passing week.

All in all a solid team effort with plenty of positives to take out of the game.

### D Grade

Round 6	Q1	Q2	Q3	Q4	Tot
PAOC	0.3	3.4	5.8	7.9	51
Salisbury North	0.1	0.4	2.4	3.7	25

**Goal Kickers:** Scot Tyndall 3, Drew Clements 1, Brad Weidenhofer 1, Josh Palmer 1, Will McPhee 1

**Best Players:** Josh Hall, Drew Clements, Charlie Olsson, Josh Palmer, Will McPhee, Randall Lloyd

A solid win by the D grade away to Salisbury North. With an exceptional number of changes we never really settled however our application and persistence was eventually rewarded. The first quarter saw the ball being rebounded between the half back lines for both teams. Eventually we were able to grind out goals in the next 3 terms whilst still holding the opposition.

Credit to our defence who worked very well together led by Josh Hall at CHB. Lachlan Griffiths in his first D grade game was dominant early until succumbing to a sore hamstring but the whole group was not only miserly in denying the opposition but also moving the ball through to our midfield. Throughout the ground we won or halved the contests even against the overall stronger opposition. Eventually we were rewarded and the goals came whilst we were able to keep denying Salisbury North open play or getting into scoring positions. Scot Tyndall on loan kicked 3 goals with the balance shared around.

The opposition applied continued pressure at the player all game and there are lessons for us to learn in having more composure with our disposal and ensure it is to our advantage. Having turned over a whole team in the past 2 weeks as we play more together this will continue to develop but shows the importance of getting to training and training to play.

### E Grade

Round 6	Q1	Q2	Q3	Q4	Tot
PAOC	0.4	1.6	1.8	2.10	22
SMOSH West Lakes	3.2	8.10	11.13	15.16	106

**Goal Kickers:** Logan Mahadeva 1, John Waltham 1

**Best Players:** Alfie Brown, Nicholas Whetstone, Isaac Taylor, Ben Newbery, Nick Giulianetti

An undermanned E grade travelled down to the wide deck of SMOSH West Lakes for the top of the table clash. With a few of the usual contributors and Ball Hog (M.Siciliano) promoted / away for the week, the team was really up against it from the word go.

It was competitive footy in the first quarter as the Red boys rallied hard against SMOSH's relentless attack, new E grade recruit Nic "The Stonefish" Whetstone and Isaac Taylor being very industrious through the midfield.

As the game went on, our boys got tired from the onslaught and so the second half slipped away very quickly. However, great efforts from Nicky Giulianetti down back and a cheap goal from Waltham gave us something to smile about ... even if Marshy didn't.

All in all it was a tough day but I believe with a fully loaded side and on our home park the score can be settled.
