It had been a month since we played a game at Park 9 so needless to say it was good to be home. After the first round of games Walkerville had shown that while they may be undermanned in some areas they had the ability to stick with sides and provide a strong contest. We expected them to come out strong and for the first 3 quarters it was an even battle. Walkerville were consistently first to the ball. We were forced to play some reactionary football at times. When we were proactive we played some strong football, moving the ball quickly and creating some easy shots on goal.

After a patchy first 3 quarters a consistent effort was demanded in the final term. The boys responded and played some of our best football for the season. The midfield won the stoppages and battle of work rate and used the ball efficiently. Our forwards were all potent and worked hard for one another and our defence miserly as they had been all day. In the end we were able to run away with the game and record a big win.

We look forward to the top of the table Unley this week. A great challenge for the group. We're looking forward to putting in a strong effort and playing Reds football.

B Grade

Round 10	Q1	Q2	Q3	Q4	Tot
PAOC	6.4	9.9	15.13	24.15	159
Walkerville	1.2	5.3	6.3	8.6	54

Goal Kickers: Seb Moroney 6, Max Burford 5, Josh Morrell 5, Daniel Fry 3, Tom Simpson 2, Matt Jackman 2, Kieran Artis 1

Best Players: Lewis Crawford, Blake Sanders, Josh Hall, Max Burford, Luke Bartlett

The B grade started well and in fantastic conditions at Park 9, found ourselves up comfortably at quarter time. We allowed Walkerville some easy goals in the 2nd which kicked our work rate and energy at the contest back into gear late in the quarter. The boys became the dominant side inside and outside of the contest with Crawford, Hall, Young and Bartlett getting plenty of it.

Blake Sanders was sturdy in defence all day and Max Burford, Moroney and Morrell hit the scoreboard and continually got space on their opponents. The feature of the day is that we put a real stamp on the scoreboard in the last. For the rest of the season, we need to have a real grit about us even when the contest appears over. There has to be a commitment to keep competing and being hungry for goals until the final siren.

C Grade

Round 10	Q1	Q2	Q3	Q4	Tot
PAOC	1.2	5.4	6.6	7.8	50
Golden Grove	8.4	8.6	10.8	17.9	111

Goal Kickers: Cameron Burfield 2, Lucas Lovell 2, Will Thredgold 1, Nick Brooks 1, Tim Sanders 1

Best Players: Will Thredgold, Scott Snodgrass, Noah Ramsey, Lucas Lovell, Cameron Burfield, Josh Palmer

Gee Whizz what a 24 hours! The C grade started with 22 players. 6pm Friday Drew Clements out sick, 10:30am Saturday Mick Phillips out sick, 2:05pm Henry Treloar out in the warm up and then at the first bounce of the match Alex Davidson reinjures his shoulder.

The loss of Davo was critical as we had to hunt high and low to find a volunteer to play in the ruck. Thanks to Josh Palmer and Logan Mahadeva (up from the E's) for filling this roll.

Golden Grove shot out of the blocks really well and had posted 8 goals to our 1 by the end of the first term. We tried on the bench to rearrange the team to cover our injuries.

After a reshuffle of the magnets again we played a really good and competitive second term our forwards moving well and defenders were able to hold GG's big forwards goalless. The margin back to 20 points at the long break.

The 3rd quarter saw GG get on top late and were able to kick 2 goals in the last 5 minutes to take a commanding 5 goal lead into the last term.

Our 18 boys were spent with only vapours left in the tank for the final 22 minutes. Try as we did we didn't have the strength, height or run left in our legs to challenge and GG were able to control play during this term and ran out easy winners. A tough day for the C grade.

D Grade

Round 10	Q1	Q2	Q3	Q4	Tot
PAOC	0.4	4.11	10.14	18.16	124
Portland	1.3	1.3	2.3	3.7	25

Goal Kickers: Harry Bilyk 7, John Waltham 3, Lachie Burns 2, Aaron Richards 2, Jack Zacker 1, Cameron Garry 1, Will McPhee 1, Will Wood 1

Best Players: Isaac Taylor, Harry Bilyk, Will McPhee, Charlie Comerford, Lachie Burns, Lachie Griffiths

Although the game started at 10:15am, the D grade decided that about 10:40 was more to their liking. Portland had a number of legends come out to play and the 1st quarter we rushed our disposal with perceived pressure, kept turning over the ball and generally were not playing to the standard we usually achieve.

The 2nd quarter we steadied around the ground, starting settling and although inaccurate in front of goal added 4 majors whilst holding the opposition scoreless. In the 3rd we added another 6 majors with only 3 behinds and by the last we were able to finish the game with 8 goals. As with most teams we had numerous changes however if we can get on the track at least once a week we all should be able to move between the teams seamlessly.

Harry Bilyk enjoyed John Waltham hanging out with him in the goal square to kick 7, Isaac Taylor has become a clearance specialist and continued his fine form of the past couple weeks and our back 6 again proved impenetrable. It was very pleasing to welcome back Arata Gwinnett for his 1st game in over 12 months. The fitness is coming back and he was able to show some of his silky skills again.

Pembroke away next game, let's all get on the track, concentrate on our start and be ready for a very good contest.

E Grade

Round 10	Q1	Q2	Q3	Q4	Tot
PAOC	1.2	2.3	5.7	5.7	37
Golden Grove	0.5	1.5	2.6	2.6	18

Goal Kickers: Scot Tyndall 2, Tom Prest 2, Brad Weidenhofer 1

Best Players: Tom Prest, Ben Newbery, Nick Pemberton, Jon Temme, Brad Weidenhofer

Very low scoring and a slightly shorter than normal game for the E Grade this week with the truck like body of Brad Weidenhofer running through the leg of a Golden Grove player just before three quarter time. We wish the player all the best in his recovery, they say a picture tells a thousand words and the image of the x-ray below does just that!

The only positive to come from the injury was the boys got to indulge in post game festivities a little sooner than usual. Leaders everywhere in the photo below.
