The A grade came up against top of the table Unley, confident we could cause an upset if we played our best footy. After a competitive start, we felt like we were in the contest for much of the first half, with our poor forward entries the only thing between the two teams.

After the main break we came out firing but unfortunately inaccuracy in front of goals, meant we went unrewarded, while the clinical Unley gave us no second chances and put the game away. We were able to come home strong to regain some respect on the scoreboard, but it was all too little too late. Poor skills across the ground meant we were never able to challenge an even opposition that made the most of their opportunities.

Over the last few weeks we have played some good football in patches, but need to find some constancy in the back half of the year if we are to mount a real finals challenge. We look forward to getting some boys back after the week off and can hopefully string some games together on the run home.

The top of the table clash at Kingswood oval was always going to be a willing contest and felt the team that brought the superior energy in the first quarter would go on to win. A solid early lead was set up by our two way running and quick ball movement from the back half. The teams intent at the stoppages and discipline to the structure of emptying out the forward line on the small ground was key to improving the lead at the main break.

Unley's intensity lifted after the main break and we were briefly tested until the likes of Hugo, Sullivan, Crawford and Young lifted around the ball. Moroney, Fry and Max Burford were again a big presence and were dangerous for the whole game. Fraser Ellis and Will Brennan got majority of the hit outs and went onto show good presence when the ball was on the deck too. The backs led by Blake were as stingy as ever and made good decisions and the poise of Jack Latchford and Mitch Brealey helped us maintain possession. We're starting to set a high game day standard which I'm looking forward to seeing continue.

C Grade

Round 11	Q1	Q2	Q3	Q4	Tot
PAOC	6.1	13.3	14.7	15.12	102
Unley Mercedes Jets	4.1	5.2	8.7	9.9	63

Goal Kickers: Nick Brooks 4, Harry Collison 3, Ben Siebels 2, Cameron Garry 2, Kieran Artis 2, Jack Tidswell 1, Will Thredgold 1

Best Players: Michael Phillips, Jack Tidswell, Drew Clements, Harry Barnes, Kieran Artis, Henry Basedow

The challenge to bounce back to take on the undefeated Unley Jets at Park 9 was really on the C grade after last week's unexpected loss to Golden Grove.

From the first bounce the boys attacked the ball at pace and were showing the opposition a very clean pair of heels. Michael Phillips roving to the fine ruck work of Drew Clements was using the ball particularly well bursting out from the middle to find our leading forwards. The only very small worry in the first quarter was a couple of our attempted spoils down back were a little ineffective failing to find the boundary or getting the ball over the goal line for a rushed behind. We spoke about this at the break and from then on our defenders hit the packs with lot more vigour for the rest of the match.

We set up the result in the second term with Jack Tidwell and Harry Barnes absolutely impassable in defence and with very good ball movement we had the Unley Jets chasing Red jumpers all around Park 9. By the end of the quarter we had now established an 8 goal lead at half time.

The rest of game was even with both teams having 11 scoring shots we were a little of target with our only 2 goal being kicked by Nick Brooks. A very satisfying victory for the C grade.

D Grade

Round 11	Q1	Q2	Q3	Q4	Tot
PAOC	1.3	3.4	4.8	6.11	47
Pembroke OS	3.3	6.5	8.7	9.7	61

Goal Kickers: Will Daniel 2, Aaron Richards 2, Charlie Comerford 1, Tim Boucaut 1

Best Players: Lachie Griffiths, Will Daniel, Jack Zacker, Isaac Taylor, Charlie Comerford, Rupert Benson

A disappointing result for the D grade going down to Pembroke by 14 points for our 2nd loss for the season. There are many excuse and genuine factors that are applicable however in the end this was a game we should and could have won. We started poorly, didn't adjust to the early slippery conditions and allowed Pembroke kick the first 3 goals. Pembroke ran that bit harder, created additional overlap and were more composed with their disposal.

The final result was flattering but we can take a few things from the game it will be to our benefit when we play them again come finals. Over the past few weeks we have not started well and we have not been as clean as we should with our disposal. To rectify this it is important that we not only get to training but that we train as we want to play.

We had 4 school lads come out and play with us on the weekend. Will Daniel (yr 12) and Rupert Benson (yr 11) on debut performed admirable and their performances were the highlight of the game, both were rightfully named in our best players, congratulations and thanks to both of you as well as Will Hudson and Kosta Mavropoulos who played their 4th game for the club this season. With the quality of these lads the future is very strong for PAOCFC.

E Grade

Round 11	Q1	Q2	Q3	Q4	Tot
PAOC	2.2	5.6	7.9	12.11	83
Unley Mercedes Jets	1.4	3.6	6.7	7.10	52

Goal Kickers: Scot Tyndall 6, Brad Weidenhofer 2, Nick Pemberton 2, Ed Carter 1, Nick Giulianetti 1

Best Players: Nick Pemberton, Tom Prest, Scot Tyndall, Ben Newbery, Mick Sanders

A solid but untidy win for the E Grade. It was a game where we never really took off until three quarter time when Coach Marsh delivered a massive spray to the group demanding a big last quarter effort after we let Unley back in the game.

Tom Prest collected plenty of possessions and was spotted recording his own stats at each quarter break. Post game he was unable to inform the group of the winning margin but was quick to announce his possession count of 46.

Nick Pemberton broke the record for most loose ball gets as he roamed around on the wings unmarked all day. There was plenty of forward running from the skipper but very little the other way as he waited for the back 6 to rebound the ball out.

Scot Tyndall finally worked out that the big two sticks are the ones to aim for and was rewarded with 6 goals. Dave "The Arm" Sanders returned as well but spent more time checking out his own biceps than watching the footy. It was left to his brother Mick to collect the allocation of possessions for the family that day.

Overall a solid result, we now look forward to the top of the table clash with Payneham NU next week. Four teams are tied at the top so it is a crucial game for the E Grade.
