After a much needed week off the A grade returned refreshed and keen to get back on the winners list. We were buoyed by the return of Will Dalwood to the Club after 6 years playing in the SANFL. We started slowly and quickly found ourselves with a 3 goal deficit. However we moved the ball cleanly and quickly in the final 10 minutes of the first quarter to get the game back to an even contest at the first break.

The second and third quarters were a fast paced, goal for goal contest. We had passages of play that were among our best for the year but also turned the ball over too much which resulted in some easy goals for the opposition.

At 3 quarter time we were down by 8 points but the feeling through the group was that we could take the points if we lifted our effort and improved our execution in the last term. That we did. We ran in numbers and took the game on, moving the ball cleanly and efficiently into the forward line. Our decision making was crisp and execution of our skills improved; albeit we missed a number of opportunities in front of goal. In the end we ran away with a well-deserved win. Great to get a hard fought 2 points away from home. We're looking forward to getting back to Park 9 this week against Walkerville.

Perfect conditions at Broadview on a ground that I thought would suit us perfectly. After 100 gamer Seb Moroney hit the scoreboard with a major after 20 seconds, things were looking positive but instead we found ourselves in a real arm wrestle for much of the game.

We were probably beaten around stoppages due to their obvious commitment and our poor defensive action. The skill level was generally down and we were unpredictable to each other in the way we moved the ball and where we were positioning ourselves. We became cleaner and strangely enough appeared to have more energy in the last quarter and were able to put a decent score on the board led by Max Burford with five straight ones.

Ben Young on ball and Sam Gunning forward were reliable all day and big Fraser Ellis competed manfully over 4 quarters too. A bit of reflection is now needed for a number of the boys as we need to keep high personal standards each week as we move into the back half of the season in second place. It starts this week on the track.

Best Players: Tim Sanders, Will Brennan, Henry Treloar, Jack Tidswell, Lucas Lovell, Tom Simpson

In near perfect condition at Modbury we again struggled to find any system or control in the first quarter. We failed to use the short switch kick at all and instead just bombed the ball forward with very little thought. When used correctly the short kick creates the run, space and control that we base our entire game around. A gentle reminder of our system from the coach at the break.

Our second term was a massive improvement. Some fantastic ruck work from Will Brennan saw us get some clean ball from stoppages around the ground. Our running brigade lead by Tim Sanders, Lucas Lovell and Henry Treloar made the most of this clean ball and continually hit up our leading forwards. We had 10 shots on goal but were only able to convert 3 to majors. We restricted a slowing Modbury to only one goal with great defensive work from Jack Tidswell and Will Latchford. 11 points up at the long break.

The 2nd half was not much of a contest as we controlled play in and around the centre of the ground with plenty of run and positive voice. Our forwards were working hard to get into the right areas of the ground to make shots on goal a little easier. Our kicking for goal did improve in this half as we piled on 12.7 to only 2.1 to run out comfortable winners.

The D grade had the long trip to Park 10 this week and were able to secure another solid win against Uni. At the half way point we are now 8-1 in C2 and sitting on 2nd on percentage.

This week was a game of 2 halves. We controlled the play early and forced the game on our terms. At half time we were 6 goals in front, controlling the majority of the play and looking to get better conversion from our efforts in the final half.

After the break Uni increased their pressure at the ball and all around the ground. In an even second half whilst not being headed we lost some of our composure, became rushed on the ball and were not able to bring the ball effectively into our forward lines. Each side only added a single goal in the 3rd and the last quarter was a dour affair with us contributing only 3 points but keeping Uni scoreless.

All season our defence has been exceptional. The teamwork and discipline of everyone who has played through the back 6 at any time has been a core strength.

Let's get on the track during the week and be ready to become the hunted in the 2nd round of games.

E Grade

Round 9	Q1	Q2	Q3	Q4	Tot
PAOC	1.6	3.6	5.8	9.8	62
Modbury	3.2	4.6	6.8	6.12	48

Goal Kickers: Brad Weidenhofer 3, Scot Tyndall 2, Taunton Schmidt 1, Will Farminer 1, Tom Prest 1, Robbie Childs 1

Best Players: Tom Prest, Will Heaslip, Tyson Smith, Nick Pemberton, Ben Newbery

The E Grade pulled off what at times appeared to be a very unlikely victory, running over the top of Modbury in the last quarter to record a solid win. It is fair to say the day was a bit of a one man show with Tom Prest announcing he broke the 60 possessions mark for the third game in a row.

The Rainman (Tyson Smith) showed signs he could still be selected for his football ability rather than just his post game banter while the Weed once again claimed ownership of the forward 50 over Tyndall.

The support cast of Heaslip, Pemberton, Childs, Schmidt and others ensured we stayed in the game when at times Modbury looked like they could blow us away. Marsh and Prest moved more magnets in the first half than they had done all season as they desperately searched for a winning combination.

A great win for the side!
