BEST PLAYERS: A. Perryman, B. Castree, L. McNamara, H. Latchford, B. Coles, W. Hugo

COACH'S REPORT:

The best way to describe the week ends game against Unley is FUN!!

In the grand final rematch from last year the two teams are now miles apart and this was evident from the outset. A lot of people in football talk about systems and structures and how personal, greatly affects the way you have to play the game. The ability of our group to understand theirs and each other's roles, and have the flexibility to play multiple positions within these systems is very rewarding to see and coach.

The win over Unley now secures top spot on the ladder and the Minor Premiership!! A great reward and a huge achievement that we all should be pleased with, after all the hard work that everyone has put in, from the players, the coaches, committee and all the supporters well done and thankyou but be assured we still have a long way and a lot of hard work to go to get to where we want to be!!!

B GRADE (DIVISION 1 RESERVES) - ROUND 16

ROUND 16	Q1	Q2	Q3	Q4
PAOC	3.4 – 22	7.7 - 49	12.11 - 83	17.12 – 114
UNLEY MERCEDES JETS	4.2 - 26	4.3 - 27	5.5 - 35	6.5 - 41

GOAL KICKERS: C. Hannemann 6, J. Prest 3, B. Siebels 2, D. Foulis, E. Holmes, C. Pritchard, N. Mosey, G. Choimes, W. Curyer

BEST PLAYERS: C. Hannemann, L. Crawford, C. Pritchard, F. Ellis, N. Mosey, N. Ellis

COACH'S REPORT:

After an energetic start against opposition side that hadn't won for a while, we allowed a few late goals and had some structure and attitude tweaking to address at the first break. Fortunately, we showed Unley more respect after this and began to control the ball better and have greater disposal efficiency. We were able hit the scoreboard well in the second half with targets like Hannemann (6 goals) and Prest (3 goals) up forward. Our mids controlled the ball well in the second half and across half back we tended to put a stop to Unley's forward movement and consequently their goals dried up.

A good win in all that puts us at the top of the ladder. The challenge within the group continues to consistently play competitive footy consistently to the standards we expect as finals approach.

C GRADE (DIVISION 7) - QUALIFYING FINAL

QF	Q1	Q2	Q3	Q4
PAOC	3.3 -21	5.8 - 38	8.13 - 61	9.16 - 70

BEST PLAYERS: M. Brealey, C. Comerford, S. Alexander, G. Treloar, A. Parkinson, A. Butenko

COACH'S REPORT:

We got off to a bit of a shaky start in our qualifying final against St Pauls. 20 minutes into the match St Pauls had established a solid lead of 4 goals but we managed to kick a couple of goals late in the quarter to narrow the gap to only 10 points at the first change.

The second term was a real arm wrestle as a final should be, with neither team able to establish complete control 2 goals each for the quarter. However there were signs that the larger St Pauls forwards were starting to feel the strain of chasing our defenders and we started to set up a very solid structure.

In the second half we controlled the ball with short kicks and plenty of movement which meant the match was played mostly in our forward zone, so from being behind at half time by 6 points we finished up by 12 at the final siren.

A very good result but we can still improve our delivery into our forwards.

We are looking forward to taking on the undefeated Salisbury West to win a spot into the Grand Final

GOAL KICKERS: nil.

BEST PLAYERS: D. Pittman, M. McGregor, C. Hall, T. Burfield, H. Murdoch, M. Siciliano

COACH'S REPORT:

Not a great result for the D grade and a game best left in the past.

In a very strong competition against some quality C grade sides we have made the finals and this week we have an elimination final against Golden Grove. If the lads bring their best and play our game we can have an impact and get through to the next week and build some momentum.

THERE'S A STORY IN EVERY GLASS

Proud to call Langhorne Creek home since 1850

History & Passion

Established in 1850 by Frank Potts, Bleasdale is the spiritual home of Langhorne Creek

The philosophy of the Bleasdale winemaking team is to capture the essence of what makes Langhorne Creek red wines so attractive – vibrancy, harmony and texture. Cabernet Sauvignon has elegance and captivating depth of flavour, Shiraz is a ripe fruit style with refined cool climate spice elements and Malbec is perfumed and finely structured.

Bleasdale is rich in history and producing some of Australia's most exciting, consistently impressive premium wines. Whether a Bleasdale wine is \$12 or \$70, whether it is a Sparkling Shiraz, a single vineyard Malbec or the Frank Potts Cabernet, it conveys a story in the glass that substantiates its history, diversity and increasingly, its pedigree.

Experience & Expertise

Bleasdale produces one of the most diverse portfolios of wines in Australia.

From cool climate whites of the Adelaide Hills to sparkling shiraz; flavour packed Langhorne Creek red wines ranging from great value, everyday drinking to prestigious small parcels of highly revered Shiraz, Cabernet Sauvignon and Malbec; fortified wines made from Shiraz, Grenache and Verdelho that reflect over 160 years of winemaking. It is almost unparalleled. Paul Hotker is the current Senior Winemaker, and he and his team are achieving excellent results both nationally and internationally.

Each vintage over 200 different parcels of wines are made, all expressing their own individuality based on micro-climate and soil type of the vineyards they have come from.

In September every year Paul and his team spend three days assessing every parcel of wine, aided by two independent judges, from which they will create the script for each final blend to be assembled.

The winemaking team's philosophy is to allow the region to express naturally what it produces with minimal influence by winemaking. The reds have an honest masculinity but are not brutish. Cabernet has elegance and captivating depth of flavour, Shiraz is a ripe fruit style with refined cool climate spice elements and Malbec is perfumed and finely structured.

The Adelaide Hills Sauvignon Blanc and Pinot Gris are expressions of purity of fruit whilst the balanced, cool climate Chardonnay portrays great structure and length of fruit.

The wine portfolio steadily grew during the mid/late 2000s with the production of Petrel Reserve and The Broad-Side – both Shiraz/Cabernet Sauvignon/Malbec blends.

In 2010 there were two wines produced to celebrate the 160 year anniversary of Bleasdale – the Powder Monkey Shiraz and the Double Take Malbec. The Wise One Grand Tawny and Grand Verdelho fortified wines also emerged in 2010.

The most recent wine releases have been the Iron Duke Cabernet Sauvignon, named after one of the guns owned by Frank Potts, and the Fortis et Astutus 20 Year Old Rare Liqueur Tawny. Fortis et Astutus translated means "strong and astute", reflecting the passion, innovation and ideas that have abounded as the family has taken its journey from the earliest days of wine in South Australia to producing some of Australia's most exciting wines today.

How exceptional these wines are has not just happened on its own. Seven years ago Paul completely overhauled the rating system for the company's vineyards and those of its growers with the sole purpose of receiving grapes of the highest calibre possible.

Since 2010 Bleasdale has seen the benefits of this through a multitude of awards and accolades. It's the way it should be, in the pursuit of quality.
